esta segunda edición del libro lecciones de derecho mercantil contiene una serie de estudios sobre diversos aspectos en esta materia relacionados con los sujetos que ostentan el carácter de comerciantes o empresarios y su posición o régimen jurídico frente al ordenamiento positivo los instrumentos por cuya virtud se hace tangible el ejercicio práctico de las actividades mercantiles y en general su explotación mediante la celebración de actos y negocios jurídicos derivados de esas actividades económicas los temas fueron sometidos a una prolija y detallada revisión y actualización de cara a ponerlos a tono con las nuevas disposiciones legales y con los más recientes pronunciamientos de la doctrina y de la jurisprudencia tanto nacional como extranjera

the topics addressed in this book have traditionally been covered in separate publications on civil and commercial law this dualism of regimes has made it difficult for students and professionals alike to comprehend spanish private law as a whole in the past this has led to inefficient duplication of explanations gaps in key areas and an altogether fragmented picture introduction to spanish private law presents a consolidated modern and realistic image of today s spanish private legal system it combines both civil and commercial law and integrates them in the same book making the overall subject far more accessible to readers this united approach results in a more logical and efficient process of learning finally the issues that are addressed reflect the reality of today s economic and legal scene this book attempts to provide the readers with the necessary legal instruments to tackle the real problems arising from a globalized modern society the general principles in this book are presented from a practical point of view that emanates from the authors conception of a legal system as an instrument to solve social problems in accordance with a set of principles values and aims

in recent years an increasing number of clients and third parties have filed claims against banks such as for mis selling financial products poor financial advice insufficient disclosure of and warning about financial risks the scope of a bank s duty of care seems to expand not only to include protection of consumers against unclear risks of complicated products but also protection of professional parties against more obvious risks of relatively straightforward products this topic raises many questions both at a theoretical and practical level this book provides a rich source of information about how various jurisdictions germany austria france italy spain the netherlands england and wales ireland and the united states of america deal with these questions and how answers are found or embedded in their national legal systems the book also contains a detailed chapter on the mifid i and ii conduct of business provisions finally the book provides a thorough comparative analysis and perspective

since the publication of the still very valuable biblioteca histórica de la filología by cipriano muñoz y manzano conde de la viñaza madrid 1893 our knowledge of the history of the study of the spanish language has grown considerably and most manuscript and secondary sources had never been tapped before hans josef niederehe of the university of trier courageously undertook the task to bring together any available bibliographical information together with much more recent research findings scattered in libraries journals and other places the resulting bibliografía cronológica de la lingüística la gramática y la lexicografía del

español desde los principios hasta el año 1600 bicres began appearing in 1994 bicres i covered the period from the early beginnings to 1600 followed by bicres ii 1601 1700 bicres iii 1701 1800 and together with miguel Ángel esparza torres of madrid there followed bicres iv 1801 to 1860 now the fifth volume has become available covering the years from 1861 to 1899 access to the bibliographical information of altogether 5 272 titles is facilitated by several detailed indexes such as a short title index a listing of printers publishers and places of production and an author index more than twenty years of research in the major libraries of spain and other european countries have gone into this unique work relative sources of the americas have also been covered making it exhaustive source for any serious scholar of any possible aspect of the spanish language
