american lit remixed identifies a new sound in literature emerging after the digital revolution it reads works by jennifer egan sherman alexie and others through the lenses of remix theory the term eduardo navas coined to describe the remix as a form of artistic and cultural discourse and the music industry s preoccupations with nostalgia and

authenticity arguing that digital age fiction poetry and drama remix the music and technology of the past to offer new modes of connecting to self others and place musical features such as references to popular songs structural similarities to music recordings and thematic treatment of the riffing and borrowing endemic within popular music lend a retro sound feel and structure to contemporary american texts even when they refer to life in the digital era through engaging with the musical past literature resists nostalgia and remixes the twenty first century s dystopian disconnected ethos to find possibility and hope for the future critics often focus on technology s negative impact on the music industry but american lit remixed emphasizes music as a source of creative potential in twenty first century literature including new ways of storytelling and relating

a blues bibliography second edition is a revised and enlarged version of the definitive blues bibliography first published in 1999 material previously omitted from the first edition has now been included and the bibliography has been expanded to include works published since then in addition to biographical references this work includes entries on the history and background of the blues instruments record labels reference sources regional variations and lyric transcriptions and musical analysis the blues bibliography is an invaluable guide to the enthusiastic market among libraries specializing in music and african american culture and among individual blues scholars

publisher description

the sovereign psyche is not just the title of the book more importantly the sovereign psyche is the motivating consciousness intellect and willpower that is necessary to materialize what the book defines as self authentic freedom as opposed to chattel freedom chattel freedom is when the value of a people is predicated upon the extent to which they serve the interests and institutions of others as such this work asserts that there is no such thing as intellectual or institutional equality and that black african people have been unknowingly thrusted into an intellectual and institutional war where second place finishers either experience varying degrees of chattel freedom or they could end up dead regardless of the issue genuine solutions entail what we as black african people intellectually and institutionally do for ourselves if black lives matter we must channel the end uses of our intellect

and the resources of our institutions to not only prove and enforce it but also leverage powers to penalize and or repudiate violators although this work centers upon black african people the sovereign functions and frameworks herein are universal in application being that todays world rotates upon systems of sovereignty and power not beliefs in democracy or equality in this context the sovereign concepts and criteria presented are far more rational than radical the central question is to what extent will black african people harness the willpower and employ the intellect of the sovereign psyche to actualize our own systems and institutions of self authentic freedom government and development without apology or permission this work offers the ideological apparatus to make this possible just as others are doing all around the globe

drawing on an encyclopedic knowledge of the music social and cultural background and extensive interviews paul stump has written an entertaining and vigorous study of an important area of popular music

the definitive guide to the world of contemporary and electronic music by the media s top music pundit an exhilarating history of pop a brilliant and joyous book guardian a passionate irresistible encouragement to listen more and to listen better sunday times has pop burnt itself out inspired by the video for kylie minogue s hit single can t get you out of my head acclaimed rock journalist paul morley is driving with kylie towards a virtual city built of sound and ideas in search of the answer their journey bridges the various paradoxes of twentieth century culture as they encounter a succession of celebrities and geniuses including madonna kraftwerk wittgenstein and the ghost of elvis presley and explore the iconic and the obscure the mechanical and the digital the avant garde and the very nature of pop itself

the holdings of the music division of the new york public library cover virtually all musical subjects its scores represent a broad spectrum of musical style and history

includes entries for maps and atlases
