the current fashion for rolling back the state has seen the nonprofit or third sector playing an increasing role in what were previously the heartlands of the public sphere the growing significance of the sector and its increasing reliance on public funds mean it has also attracted increased scrutiny from outside the sector concerns have been raised about the accountability and performance of nonprofit organizations from within the sector there has been considerable debate

about whether the increased reliance on government contracts is in danger of undermining the sector's independence as a result the spotlight has fallen on governance arrangements and whether they are adequate to ensure that nonprofit organizations are effective and accountable for their actions and able to retain their independence this collection offers a comprehensive assessment of research on the governance of nonprofit organizations nonprofit governance research has been dominated by the study of boards of unitary organizations and has paid insufficient attention to the multi level nature of governance governance relationships and dynamics and the contribution of actors other than board members to governance processes drawing on the research of leading scholars in the us uk canada and australia this book presents new perspectives on non profit governance which help to overcome these weaknesses written in an accessible manner the book will be of value to scholars researchers students reflective practitioners and governance consultants and advisers

michael j worth's student friendly best seller nonprofit management principles and practice fifth edition provides a broad insightful overview of key topics affecting governance and management of nonprofit organizations worth covers the scope and structure of the nonprofit sector leadership of nonprofits managing the nonprofit organization fundraising earned income strategies financial management nonprofit lobbying and advocacy managing international and global organizations and social entrepreneurship written specifically for students this applied text balances research theory and practitioner literature with current cases timely examples and the most recent data available new to the fifth edition new cases related to accountability and governance highlight new approaches to recent controversies and risks to nonprofits cases include the wounded warriors project sweet briar college 4 h housing first the chan Zuckerberg initiative the national Audubon Society and an expanded study of governance issues at the Hershey Trust expanded discussions of risk management offer new insights on developing strategy building capacity and managing risk new social networks and social media content provides students with practical strategies for using social media when fundraising and marketing a new comprehensive case on the Girl Scouts of the USA recounts reforms undertaken by this iconic organization and current challenges it faces the chapter on financial management has been substantially revised to reflect new requirements for nonprofit financial statements issued by the Financial Accounting Standards Board in 2016 as well as an expanded discussion of audits an updated chapter on fundraising includes information on the tax cuts and jobs act passed in December 2017 which has implications for charitable giving new references at the end of every chapter guide readers to relevant cases in the appendix making it easy for instructors to incorporate the cases into classroom discussions
