named one of the best books of 2015 by the economist private markets fashion trends prison camps dissenters and defectors north korea is one of the most troubled societies on earth the country's 24 million people live under a violent dictatorship led by a single family which relentlessly pursues the development of nuclear arms which periodically incites risky military clashes with the larger richer liberal south and which forces each and every person to play a role in the theater state even as it pays little more than lip service to the wellbeing of the overwhelming majority with this deeply anachronistic system eventually failed in the 1990s it triggered a famine that decimated the countryside and obliterated the lives of many hundreds of thousands of people however it also changed life forever for those who survived a lawless form of marketization came to replace the iron rice bowl of work in state companies and the orwellian mind control of the korean workers party was replaced for many by dreams of trade and profit a new north korea society was born from the horrors of the era one that is more susceptible to outside information than ever before with the advent of k pop and video carrying usb sticks this is the north korean society that is described in this book in seven fascinating chapters the authors explore what life is actually like in modern north korea today for the ordinary man and woman on the street they interview experts and tap a broad variety of sources to bring a startling new insider's view of north korean society from members of pyongyang's ruling families to defectors from different periods and regions to diplomats and ngos with years of experience in the country to cross border traders from neighboring china and textual accounts appearing in english korean and chinese sources the resulting stories reveal the horror as well as the innovation and humor which abound in this fascinating country

please note this is a companion version not the original book sample book insights 1 the north korean economy has always been based on person to person market exchanges but they have never been as prevalent or necessary as they are today the state no longer provides for the people so they must rely on capitalism to survive 2 the north korean economy was doing well in the 1950s 1960s and early 1970s however the economy began to decline in the mid 1970s due to mismanagement by kim il

sung and the end of soviet aid the pds began to break down in the early 1990s 3 the north korean famine of 1994 1998 was the darkest period in the country's history and it paved the way for marketization today women in north korea are becoming more independent and ambitious than ever before 4 the north korean government has a difficult relationship with its citizens economic liberalization while there are reform minded officials in the government there is also a natural fear of change at the top

descriptions of documents contained in the microfiche collection of the declassified documents reference system now online by subscription which originated primarily in the central intelligence agency the state department and various components of the department of defense other agencies including the national security council the white house and the fbi among others also contributed documents which range in size and scope from telegrams correspondence unevaluated field reports to lengthy background studies and detailed minutes of cabinet meetings

this volume addresses american prisoners of war pow and missing in action mia cases who were not repatriated following the korean war with particular emphasis on whether any american servicemen were transferred to ussr territory during the war
