reference guide to poetry anthologies with descriptions and evaluations of each anthology

excerpt from an introduction to poetry an introduction to poetry is intended for the college freshman or sophomore as well as for the general reader its chief aims are two first to offer in a natural and interesting manner the technical apparatus the criticism and the examples needed for a good elementary knowledge of english poetry second to offer a convenient opportunity for a comparison of the new and the older english and american poets the twelve chapters approach poetry from various angles type meter subject and period each chapter includes enough poems to illustrate well the points brought out in the text the explanations of poetic technique are we believe sufficiently full and are so introduced as to be neither difficult nor tedious general criticism is provided at appropriate places and many points of possible difficulty or exceptional interest are explained not in foot notes but in the text we have arranged poems in such groups that the reader

is able to criticize for himself and we have as far as possible made the transition from poem to poem easy and continuous we have begun with the song because it is a primitive and universally understood type of poem if we have given too generous space to the old french forms light verse or free verse we have done so on the grounds either of special difficulty or of unusual interest at the present time about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

an introduction to poetry presented in a compact and concise anthology sound and sense continues the tradition of offering clear precise writing and practical organization initiated by laurence perrine years ago

this collection of papers arises from a poetry symposium held in 1992 at the university of durham chapters reflect the thinking of researchers on the teaching of poetry in schools and teacher education courses
