It will be even more amazing as an expert interprets more of the seer's predictions about the year 2000 and beyond. The author details the process Nostradamus used to predict the future history of the world up to the year 3797. Previously unpublished charts reveal how it is possible to pinpoint dates and sequences for many of the more ambiguous prophecies. Most importantly, Lemesurier applies these new methods of interpretation to Nostradamus's predictions about our immediate future. Over 256 of Nostradamus's prophecies receive closer scrutiny; they include wars erupting in North Africa, the Balkans, and the Middle East; in the next decade, weapons of mass destruction unleashed in Europe; and a pope deposed in 2005. As you learn Nostradamus's techniques, you can even try them yourself and see how accurately you can predict important events in your own lifetime.

Nostradamus predicted many of today's events: the Middle East crisis, the rise and fall of the Soviet Union, as well as some more to come, including a catastrophe in 1999. This book examines the scientific evidence for the validity of Nostradamus's predictions, plus their similarity with other predictions, such as the papal succession by Saint Malachy. The book concentrates on contemporary world events and how they fit into the Nostradamus scenario and includes information about the Gorbachev-Yeltsin partnership and its duration. J. H. Brennan is the author of *Astral Doorways* and *Experimental Magic*.

each quatrain of the centuries of nostradamus relates an event specific to one of three antichrists and startling details are reinforced by vast historical research this grand light shed on messages through the divine prophet makes the entire context of the verses comprehensible with a consistent theme that relays an important message about the proven past the active present and the near future of the world this clarification of the enigmatic verse of nostradamus is the most

comprehensive bringing the first true understanding that each surface verse discusses one of three temporal kings commonly known as antichrists what if an understanding of the past present and future with all certainty halted naive debate in an age of uncertainty about the future many people look to the wisdom of the prophets this monumental effort stimulates not only mental and emotional well being but also spiritual health people want to know how truth impacts survival in an uncertain world nearing the vastly misunderstood prophesied year of 2012 the highest difficulty remains in determining truth the past helps develop understanding of what led to current conditions without emotional physical mental and spiritual elements to fulfill the record of history the wealth of our past and the understanding of our future remains impotent nostradamus a divine prophet focused on revealing the spiritual and material destiny of the world in order to prepare humankind for the future and reconnection to the divine his prophecies have been in print for approximately 500 years which is longer than any book except the holy bible the prophecies of nostradamus are biblically sound coinciding directly with the honored messages of biblical prophets from abraham through the apostle john each new generation of people has continued to pour over the verses of nostradamus seeking higher truth and understanding a critical new understanding reveals that nostradamus prophesied and wrote specifically about three antichrists reigning from the year 1700 2000 a d and beyond two of these antichrists dominated the human race culminating spiritual forces into the third antichrist the one who will fully incarnate the supernatural forces of satan ultimately torturing humanity in the final war against god bringing the end of days from the author newscasters know the importance of the emotional spiritual physical and mental aspects of life as they combine all of these qualities to make the news appealing to the masses the recording of history has none of the reality of these combined elements that help us understand the fullness of life likewise the writings of nostradamus have never been fully understood because interpreters have not been able to incorporate true wisdom which is the ability to bring forth the divine message in the fullest emotional spiritual physical and mental realities
