continuation [by another author] to the end of 1878 The Saturday Review of Politics, Literature, Science and Art The English Reports The Law of Railways Commentaries on Equity Jurisprudence Principles of the Law of Personal Property *Field-Marshal Earl Wavell Edgar Puryear A K Ganguly K K Khanna Major General Anil Sengar (Retd) Archibald Brown Edward Benjamin Scott Frederic Jesup Stimson Theophilus Parsons Edward Henry Nolan Isaac Fletcher Redfield Joseph Story Joshua Williams*

field marshal wavell was one of the most successful british army commanders of the second world war often given the toughest assignments usually greatly outnumbered and with few resources in this short volume he shares the distilled wisdom on the qualities mental moral and political that are necessary for successful leadership a long forgotten classic of military thought and leadership these lectures by general wavell show very clearly how he and the army under his direction have gained their great victories in africa and why they will gain others for these lectures though delivered over two years ago could only have been delivered by a man capable of winning and keeping the confidence of all men in all walks of life they deal with the relationships between man and man on which must be founded both the success of an army and the success of a whole nation at war i am glad indeed to think that they will have a wide audience and particularly among soldiers for whom they have deep lessons from foreword by field marshal john dill

what does it take to make a great general or a great leader in any field an excellent contribution to the study of leadership among those who make life and death decisions in the most challenging situations one that could well serve as required reading in both military and business schools kirkus reviews throughout his life edgar f beau puryear has studied america s top military leaders in his research for this book he has sought to discover what allowed them to rise above their contemporaries what prepared them for the terrible responsibilities they bore as the commanders of our armed forces during world war ii korea vietnam

the gulf and on to today how they are different from you and me ultimately first and foremost dr puryear discovered that character is the single most important and the most distinctive element shared by these individuals that character is everything beau puryear again reaches into his gold mine of research and comes forward with the essence of great generalship well done and a worthy read general colin l powell we can always learn more about the importance of character to successful leadership with this book we do just that general h norman schwarzkopf

after world war i j f c fuller stated that the three pillars of generalship meaning good generalship of course are courage creative intelligence and physical fitness and the attributes of youth rather than middle age the study of character traits and leadership principles dominated our thought and leadership teaching methodology during and after world war ii with role playing and case studies used extensively current leadership doctrine for the entire army is prescribed in field manual 6 22 army leadership a publication that relies heavily on historical examples for its message since the foundations of army leadership are firmly grounded in history senior leaders must have a core of historical knowledge to give them the perspective necessary to solve the leadership and command challenges of today

generals have made and changed the history of many nations armed forces are the instrument of power of any nation and generals have important role to play in the nation building and national security lately the standard of generalship has come to be criticised and the environment alleges that mediocre generals are being thrown up and in the process competency and professionalism is getting sacrificed not only the indian armed forces but most of the world armies are facing this problem and mediocrity attributes to poor generalship the book covers the aspects of what really matters in professional generalship what are the expectations from the generals what abilities the generals must have which matters in professional command and what are the attitude and personality factors which generals must uphold to make themselves credible and effective

the chapters have covered those essential perquisites which make a difference in command of a military formation and differentiate between mediocre poor and good generalship not only in military affairs but dealing with the outside world is an important part of generalship attributes and here what matters is prudence in the outlook and professionalism the issues discussed in the book also have relevance in the corporate and industrial sectors written in a simple and lucid manner use of quotations and references have been made to highlight the importance of issues being discussed thus making the narrative interesting

history has thrilling accounts of brilliant generals leading small armies to defeat huge forces of their opponents better the generalship greater the victories the indian army too has produced many great generals who have defeated evil designs of adversaries yet they have produced none like rommel manstein model or even like our old warriors maharana pratap hari singh nalwa or zorawar singh india can and must produce generals of that calibre generals who don't just defend territory or restore status quo but those who annihilate aggressors to teach memorable lessons to adversaries who transgress who initiate punitive actions for conventional and nuclear deterrence to be effective to produce generals of such calibre the first step is to understand what is good generalship then study generalship in previous conflicts to appreciate achievements and also learn lessons from opportunities missed only then can the armed forces institute measures to improve the quality of generalship for the future this book is written to facilitate such study in that order

the title of the book says it all the be know do of generalship generalship is possibly one of the most difficult words to define it is leadership with a difference that demands varied skills from the very basic to the most sophisticated it is a position of responsibility like none other it demands making decisions in the most complex environment pregnant with vuca character it carries with its position the heavy weight of values and expectations that have come to characterise military leadership since millennium a general is the face of the system is always naked and

always under scrutiny by soldiers who expect him to be god like the book is laid out in two parts part i comprising six chapters covers every aspect of generalship in a self help easy to assimilate style to develop oneself to be an inspiring general relevant for the future part ii comprising chapter vii is an honest and a dispassionate appraisal of the indian military leadership since independence it makes a convincing case to address the existing institutional shortcomings with respect to generalship and their selection in the indian army with de novo recommendations not heard before this book is a product of the author s four decades of passion and dedication to the profession of soldiery and the art of military leadership it is an excellent tutor to be the general you should be to know what you should know and to do what you should do to be future ready and leave a legacy worth remembering a unique book on the subject it is a must read for officers of all service groups in any vocation not only the uniformed services this book is a ready recipe for those who aspire to lead with a difference
