what makes some teams achieve extraordinary outcomes while other fall disappointingly short of the mark frank lafasto and carl larson have systematically explored that question for more than 20 years in 1989 they published the best selling book teamwork what must go right what can go wrong which reported the results of an in depth study of some of the most successful teams in recent history and identified the eight characteristics of high performance teams when teams work best advances this groundbreaking research by probing more deeply inside the workings of hundred of teams some effective and some faltering for over a decade the authors collected and analyzed responses from more than 6 000 team members and leaders across a variety of industries in both public and private sectors to find out exactly what conditions help or hinder teams in achieving their goals the voices of these team members often eloquent always enlightening are heard through the quotations that appear throughout the book

every marriage has its share of conflict but what do you do when conflict arises you can learn to transform conflicts into opportunities to energize your marriage and increase your love for your mate

welcome and thank you for expressing interest in this life skills program it is

a faith based discovery process with the fundamental purpose to help us understand and accept the truth of who we are what we have become how we got here and if we are willing to make the necessary changes in our life to become who we want to be our challenge is to be boldly honest and truthful about our past to ourselves are we willing to make a commitment to persevere through the effort required to change into a new us are we willing to accept responsibility for our past and any accountability required to move forward part of this effort is setting and prioritizing goals and expectations first with ourselves and our relationship with god and secondly with those people who are on our bus the people you associate with do you have the strength and courage to change the people who are on your bus and or remove yourself from a bus you shouldn t be on

combining years of research teaching and experience treating trauma survivors dr jon g allen offers compassionate and practical guidance to understanding trauma and its effects on the self and relationships coping with trauma is based on more than a decade of dr allen s experience conducting educational groups for persons struggling with psychiatric disorders stemming from trauma written for a general audience this book does not require a background in psychology readers will gain essential knowledge to embark on the process of healing from the complex wounds of trauma along with a guide to current treatment approaches in this supportive and informative work readers will be introduced to and encouraged in the process of healing by an author who is both witness and guide this clearly written insightful book not only teaches clinicians about trauma but also equally important teaches clinicians how to educate their patients about trauma reshaped by recent developments in attachment theory including the importance of cumulative stress over a lifetime this compelling work retains the author s initial focus on attachment as he looks at trauma from two perspectives from the psychological perspective the author discusses the impact of trauma on emotion memory the self and relationships incorporating research from neuroscience to argue that trauma is a physical illness from the psychiatric perspective the author discusses various trauma related disorders and symptoms depression posttraumatic stress disorder and dissociative disorders along with a range of self destructive behaviors to which trauma can make a contribution important updates include substantive and practical information on emotion and emotion regulation prompted by extensive contemporary research on emotion which is becoming a science unto itself illness based on current developments in the neurobiological understanding of trauma depression a pervasive trauma related problem that poses a number of catch 22s for recovery various forms of self destructiveness substance abuse eating disorders and deliberate self harm all construed as coping strategies that backfire suicidal states and self defeating aspects of personality disorders the author addresses the challenges of healing by reviewing strategies of emotion regulation as well as a wide range of sound treatment approaches he concludes with a new chapter on the foundation of all healing maintaining hope this exceptionally comprehensive overview of a wide range of traumatic experiences written in nontechnical language with extensive references to both classic and contemporary theoretical clinical and research literature offers a uniquely useful guide for victims of trauma their family members and mental health care professionals alike

provides a comprehensive exploration of the nature and scope of the consulting field

why do we feel so alone and lost more and more people are feeling isolated missed and unknown and yet the church seems to be one of the main

culprits in creating this ethos we need to be about creating healthy honest and authentic communities that are safe places for people to know and be known in meeting christ together peter holmes and susan williams explain exactly what that looks like and how we can create salugenic or healthy relationships within the context of authentic community they explain how a salugenic community is the network built by a group of people who are consistently experiencing life together and it is a community that is committed to encouraging ongoing transformational change salugenic community is built on three assumptions if christ is present in our relationships with each other that should make a radical difference such relationships provoke transformative change and when these relationships are achieved everyone notices the difference

we all have questions who actually built the pyramids what happens after we die who created crop circles and why nostradamus the healer the prophet the man cleopatra the women behind the legend who actually controls humanity if nikola tesla was so important why is he so forgotten what is the purpose of life but who has the answers without a doubt author roman harambura believes we hold the answers within our imagination the greatest gift of all the universe he explains is filled with life and human beings are not alone earth our home is simply one planet in a sky filled with thousands of universes each with the potential to harbor life beyond our human ability to understand if we can simply come to accept and embrace the fact that we are just one small part of the inconceivably vast miracle of life across the stars our own world would change imagination in harambura s experience is our greatest gift in his the book of knowledge i am alien he shares an eclectic and thought provoking array of ideas to inspire engage and capture your imagination as expressed by a being known as kuntarkis the hundreds of lessons insights and experiences within are intended to instigate your own questions and journey of discovery kuntarkis also answers questions submitted by people from all over the world this book is highly recommended for those who are seeking a broader understanding not just about their own lives but life in all aspects
