civil strife in a complex and changing world offers numerous perspectives of social conflict in the past and the present with a view toward academic classroom practices that may build strong connections both locally and globally between disparate social groups renaissance preachers abolitionists freethinkers and even soldiers in afghanistan provide thoughtful settings for the consideration of issues that at some times separate us and at other times bring us together participants of the 2012 indiana college english association conference presented their reflections to member colleagues on the conference theme of civil strife they later submitted final papers for inclusion in this book the papers selected here focus not only on past social conflicts but also on recent events that have drawn us toward more global interpretations of social conflict a third section ponders our modern reactions to social issues in the setting of the academic classroom it also considers the origin of the academic environment itself which provides the opportunity for the free expression of ideas that opens the door to further reflection and contemplation of the issue of civil strife to complement the conference s civil strife theme graphic design students from the host institution provided a special art display some of the artwork displayed was then selected for incorporation into this volume in the hope that the student work might inspire readers toward further reflection on various issues that often lead to civil strife the cover art was provided by the fine arts department at ivy tech community college s south bend indiana campus the indiana college english association is one of several regional affiliates of the national college english association icea has held an annual conference at an indiana college or university since its inception in 1967 information about icea may be found at [icea.ausrc.org](http://icea.ausrc.org) the college english association is a professional organization of scholar teachers whose members include a broad and diverse group of professionals from around the world more information about cea and its affiliates may be found at [cea.web.org](http://cea.web.org)

the authors have organized this book to help students learn the process of theory building in clear engaging and comprehensible language they offer

a solid foundation for understanding four perspectives on communication rather than presenting theories in isolation they discuss major theories within the structure of a particular approach and provide examples of the contributions each theory has made to explaining and predicting behavior if a student develops criteria by which to judge a theory that critical framework can be applied to assess the strengths and weaknesses of any new theory confidence in evaluating contributions helps students appreciate and participate in the process the connections between theorizing and practical applications stimulate interest and further exploration the text does not attempt to be encyclopedic rather it offers a synthesized coherent view of theory from the social scientific perspective emphasizing contributions from communication theorists learning about theory should be an enjoyable experience building communication theory creates a context for involving students in an exciting and valuable pursuit

provides a unique and timely re examination of key issues such as strategies in context strategy instruction and strategy research methods by numerous experts in the field offers an invaluable overview of what is known from empirical research about listening reading speaking writing vocabulary and grammar strategies proposes a clear and focused research agenda for the next decades research into language learner strategies has the fundamental goal of improving the teaching and learning of second languages this book explores the notion that the reason some learners of second languages excel and others struggle lies in what the learners themselves do the strategies they bring to language learning and to language use

johannesen has given readers a fourth edition rich with traditional contemporary perspectives on ethics its role in human interaction
