for generations maps of the pilgrimage roads and of the reconquista have bedevilled the study of spanish art and architecture they have also infiltrated the popular imagination and come to dominate the ways we think about spain and portugal art in spain and portugal from the romans to the early middle ages routes and myths sets out to diminish the power of these images and to enrich the wider english language literature on early medieval art starting with the romans and working through the vertical layers to the early romanesque period rose walker draws together scholarly work hitherto confined within disciplinary boundaries specialist regional studies and findings familiar only to spanish speaking audiences the author builds on these studies and her own research to present narratives that question art historical and archaeological orthodoxies new perspectives emerge from the routes along which wealth and artistic expertise crossed the peninsula showing the endurance of the north south axis and the strength of networks and pragmatic alliances that often operated without regard for religious difference

en los últimos sesenta años las sociedades europeas han experimentado una etapa de desarrollo económico y social paralela a la consolidación del proceso de integración económica y política de la unión europea lo que las ha convertido en un referente de igualdad solidaridad y justicia social la necesidad de incorporar a la mujer al mercado laboral tras la segunda guerra mundial impulsó avances en la igualdad de derechos entre hombres y mujeres entre ellos la equiparación salarial los derechos laborales y la corresponsabilidad en el cuidado de los hijos y otros familiares a pesar de los esfuerzos presupuestarios e institucionales por lograr la convergencia social y económica es evidente que los estados miembros de la ue presentan distintos niveles de protección social y desarrollo de políticas públicas no obstante existe una variable común la necesidad de conciliar las diferentes dimensiones de la vida de los trabajadores como cuidadores empleados e individuos una demanda creciente de las sociedades europeas

que da sentido y relevancia a este libro este contexto permite describir las actuaciones institucionales llevadas a cabo hasta el momento así como las dinámicas que se perfilan para el futuro próximo este libro es fruto del trabajo de investigación y dedicación de un grupo de profesores universitarios que desde disciplinas complementarias y distintas instituciones académicas buscan ofrecer conocimiento y propuestas de solución al desafío de conciliar la vida profesional familiar y personal en el contexto de los países de la unión europea

this book offers a novel interdisciplinary approach to interpret the emergence of the basque spanish nationalist conflict it incorporates into sociological analysis the understanding of law put forward by legal realism and legal pluralism to answer some of the most pressing problems encountered in historical research on this topic it does so by carrying out a comparative historical analysis which focuses on the puzzle produced by the political trajectories of two traditionally considered basque territories between 1841 and 1936 navarre and vascongadas the precursor of today s euskadi urasstabaso ruiz argues that the historical and ideological trajectories of these territories need to be understood in relation to their local legal praxis and interpretations of law which played a key role in how the authorities of these territories responded to the advent of modernisation overall a fresh theoretical alternative is articulated and the meaning of jurisdictional action is interpreted modern societies and national identities will appeal to academics interested in nationalism the state and modernisation particularly to those concerned with the basque country and the state of spain

new worlds for old words mundos nuevos para viejas palabras is a collection of chapters on the theme of lexical borrowing in the languages of western europe with particular focus on borrowing from latin or from greek via latin into spanish such cultured or learned borrowing as it has sometimes been designated is an especially intriguing feature of the romance languages since they also derive from latin it is also of particular interest to historical linguists since it is an example of what has been called change from above innovation first evidenced in the written usage of the culturally élite which then diffuses into more general acceptance with the result that some cultured borrowings e g problem problema social program me programa are now amongst the most common words in the modern languages despite their enormous influence on such major languages as english spanish portuguese french and italian the mechanisms by which these borrowings become established in their host languages have to date been relatively little studied this book seeks to make a contribution to this question and revive interest in what has become a neglected area of historical linguistics and contains contributions both by internationally respected scholars and new researchers in the field this bilingual collection will appeal to academics scholars and postgraduate students of hispanic studies cultural history and particularly historical linguistics and romance linguistics new worlds for old words mundos nuevos para viejas palabras es una colección sobre los préstamos léxicos en los idiomas de europa occidental centrándose sobre todo en los préstamos del latín o del griego a través del latín al español los cultismos son un rasgo especialmente interesante de las lenguas romances ya que ellos mismos proceden del latín también es de gran interés para la lingüística histórica dado que es un ejemplo de lo que se conoce como cambio desde arriba cambios atestiguados primero en la lengua escrita de la élite cultural que luego comienza a tener un uso más generalizado y cuyo resultado es que algunos de estos cultismos por ejemplo problema social programa se encuentran entre las palabras más comunes en

los idiomas modernos a pesar de su enorme influencia en lenguas tan importantes como el inglés el español el portugués el francés o el italiano los mecanismos por los que estos préstamos se establecen en los idiomas de acogida se han estudiado relativamente poco hasta ahora este volumen es una contribución a esta cuestión y su objetivo es reavivar el interés en lo que se ha convertido en un área olvidada de la lingüística diacrónica se incluyen capítulos de académicos conocidos internacionalmente y de investigadores noveles esta colección bilingüe será de gran utilidad para académicos investigadores y alumnos de posgrado en estudios hispánicos estudios culturales y particularmente lingüística histórica y lingüística de las lenguas romances

utiliza el caso de estudio de los jóvenes europeos del este en España para realizar un avance en la comprensión del marco teórico y empírico de la movilidad humana en la actualidad la obra pretende ofrecer una vía profunda y sugerente para plantear nuevas preguntas de investigación sobre las prácticas de movilidad por motivos laborales y de estudios de los jóvenes en la unión europea ampliada
