my angels and me all my stories about my angels happened in real time and
some of my encounters with my angels have been short and some very long i
never questioned my angels and i was never frightened my angel experiences are in
chronicle order as i remember them included in the second half of the book are

nineteen writers who have contributed their angel experiences for your enjoyment

marcia begins the book *angels i have seen* by explaining first how her mystical gift of prophecy seeing and hearing the things of the spirit developed she spent 25 years listening to the spirit and automatically writing what she heard the gift strengthened as she prayed and listened to the spirit for people in staff meetings and at healing prayer services the second part of the book includes paintings of some of the angels she saw and painted and what the paintings mean enjoy the angel paintings and see what they mean to you notice how strong and vibrant the angels are close your eyes to imagine what your angels may appear to be marcia has been married to her husband ken for over 41 years and lives in leawood kansas ken and marcia have two grown daughters and three grandchildren

this book offers the reader a precise and rare opportunity to explore an extraordinary spiritual experience it is an introduction into a heavenly event that began with the appearance of an angel most importantly this is a testament to why the angel appeared to rose mary in the hospital on october 7 2011 what is very distinctive about this book is the author endeavors to convey to the reader a detailed chronicle of this glorious event that she personally witnessed it is unlike any other book previously written because of the appearance of the angel and the profound message conveyed to rose mary by the angel through the power of the holy spirit the angel said to her i bring you a message tell them it is almost time this message contains only six words but the impact of these words will prove to be of great significance for all humanity the message while a profound warning in its origin is also a message of hope what will god s children interpret the message to mean what does god truly expect from his children almighty god loves all his children so much that it is beyond our capacity of understanding god desires all his children to learn how to love one another and to live in peace god is trying to get our attention before evil destroys humanity and the entire world the message is a severe reminder that god loves every soul immensely but god s people must return this love by proving to him we all have the moral convictions to turn our back on evil and love and trust in his mercy it was during the process of writing the book that the author was further inspired by the holy spirit through the angel to persevere and reveal what must be said there are thirty three intense chapters each chapter is a culmination of issues pertinent to why the angel appeared with a

profound message our holy father who is in heaven watches over his children with infinite love compassion and mercy the overall responsibility of rose mary to write this book has become a mission of love for her i see an angel is the most vital endeavor of the author s life the amazing account of the event that took place by a visit from an angel merits only the highest degree of recognition to almighty god all praise and honor is yours almighty father forever and ever
