in recent years questions about men and boys have aroused remarkable media interest public concern and controversy across the world health services are noticing the relevance of men s gender to problems as diverse as road accidents diet and sexually transmitted disease teachers are increasingly preoccupied with the poor educational performance of boys and criminologists have begun to explore why men and boys continue to dominate the crime statistics in this timely new volume one of the world s leading authorities on masculinity helps us to understand these developments and make sense of the multiplying issues about men and boys five years on from the publication of the seminal study masculinities this book reflects on the growing social scientific research in this area connell assesses its strengths and weaknesses and explores its implications for contemporary problems from boys education and men s health to international peacemaking written in a lively and accessible way this book will be essential reading for all students of sociology politics and gender studies as well as anyone interested in the future of gender relations

why are boys three times more likely than girls to be suspended from school and four times more likely to have behavioral difficulties why do men make up 75 per cent of suicides and 95 per cent of prisoners from babyhood through school and adolescence to work and relationships fatherhood and old age man up investigates the unique difficulties boys and men encounter today through fascinating research and real life case studies this book shows that change is possible and that there is room for men and boys to find greater fulfillment and happiness to the benefit of everyone

in this lighthearted yet insightful book adams looks at how men mature and why some don t using nine of life s arenas the author shows the differences between the childish man who is stuck in self oriented boyhood versus the childlike man who see things from a simple godly perspective a non threatening encouraging book to help men grow up at least a little

this book draws upon data collected over an 18 year period with over 1000 boys and young men across northern ireland providing critical reflections on violence masculinity and education it uses the voices and experiences of young men to inform and influence

research practice and policy

in this wonderfully informative and important book ted braude provides practical steps for parents in helping their children their boys become good men written in clear language this book will help any parent fulfill one of the most important responsibilities in life an amazingly helpful guide filled with clear practices that work

this book explores the evolution of male writers marked by peculiar traits of childlike immaturity the boy man emerged from the nexus of rousseau s counter enlightenment cultural primitivism sensibility s man of feeling the chattertonian poet maudit and the romantic idealisation of childhood the romantic era saw the proliferation of boy men who congregated around such metropolitan institutions as the london magazine these included john keats leigh hunt charles lamb hartley coleridge thomas de quincey and thomas hood in the period of the french revolution terms of childishness were used against such writers as wordsworth keats hunt and lamb as a tool of political satire yet boy men writers conversely used their amphibian child adult literary personae to critique the masculinist ideologies of their era however the growing cultural and political conservatism of the nineteenth century and the emergence of a canon of serious literature inculcated the relegation of the boy men from the republic of letters

the ancient call for thousands of years in cultures around the world when the time was right the men of the village came for the adolescent boys the survival of their culture depended on making men out of their young males today too many men are not answering this man making call the result is an epidemic of lost damaged and under male nourished boys the man making book is a practical and inspirational guide for men it shows them how to awaken and apply their instinctive man making skills in service to the young males around them in this book every man will find something he can do to support a boy or boys on their journey to a positive manhood

a vital and sweeping examination of today s boy crisis demonstrating the ways in which we raise boys into a culture of toxic masculinity and offering solutions that can liberate us all whether they re being urged to man up or warned that boys don t cry young men are subjected to damaging messages about manliness they must muzzle their emotions and never show weakness dominate girls and compete with one another boys what it means to become a man examines how these toxic rules can hinder boys emotional and social development if girls can expand the borders of femaleness could boys also be set free of limiting damaging expectations about manhood and masculinity could what s been labelled the boy crisis be the beginning of a revolution in how we raise young

men drawing on extensive research and interviews with educators activists parents psychologists sociologists and young men giese mother to a son herself examines the myths of masculinity and the challenges facing boys today she reports from boys only sex education classes and recreational sports leagues talks to parents of transgender children and plays video games with her son she tells stories of boys navigating the transition into manhood and how the upheaval in cultural norms about sex sexuality and the myths of masculinity have changed the coming of age process for today s boys with lively reportage and clear eyed analysis giese reveals that the movement for gender equality has the potential to liberate us all
