planet of sand a world literally bald completely covered by sand and devoid of life or so the stranded spaceman thought until he saw the huge menacing girders whose origin and purpose he could not begin to fathom white spot a gold locket containing a picture of a girl found in millennia

old ruins on a planet some hundreds of light years from earth threatens the existence of the entire human race second landing a lost space team lands on a deserted planet entirely unprepared for the strange world s one citizen a great white amoeboid monster hiding in wait to wreak its fury on any intruders

jesus had little patience with institutional religion that cared for its own needs while neglecting the plight of ordinary people in one of his most famous parables he sets up as a model of christian behavior a man who unlike some religious folks actually gets down off his donkey and helps a person in dire need with energy and enthusiasm reggie mcneal calls believers to dismount get down and dirty and live a life that makes a difference he shows readers how to recalibrate their spiritual efforts to move from church centric service to greater community engagement in order to do their essential part in creating a world worth living in mcneal also shows readers that helping others actually helps the one doing the service just as much as the one being served in fact serving is the very best way to learn about yourself and grow spiritually anyone who longs to have the impact on the world that jesus did will love this provocative and inspirational message

in a brilliant intellectual adventure that ranges from david ricardo and adam smith to economic geography and the science of complex networks shaun hendy and paul callaghan explore how new zealanders can learn to live off knowledge rather than nature the key to increasing new zealand s prosperity they argue is innovation in high tech niches to catch up with the countries that lure young kiwis away new zealand needs to start innovating like a city of four million people it needs to start taking science seriously it needs to start seeing its people as people of learning not just of the land get off the grass provides a readable introduction to a wide variety of ideas including economic geography network theory and complexity theory offers unique insights into the new zealand economy and its long term prospects adds to current debates worldwide about innovation science economic growth and networks

we feel what we feel and do what we do because we believe what we believe when we believe our myths we weave webs that entangle us in painful self depreciating behavioral patterns armed with reality we can march against the myths that rob us of our personhood and learn to value ourselves while accepting our humanness this life changing book

in the transatlantic world of the late eighteenth century easterly winds blew radical thought to america thomas paine had already arrived on these shores in 1774 and made his mark as a radical pamphleteer during the revolution in his wake followed more than 200 other radical exiles english dissenters whigs and painites scottish lads o'parts and irish patriots who became influential newspaper writers and editors and helped change the

nature of political discourse in a young nation michael durey has written the first full scale analysis of these radicals evaluating the long term influence their ideas have had on american political thought transatlantic radicals uncovers the roots of their radicalism in the old world and tells the story of how these men came to be exiled how they emigrated and how they participated in the politics of their adopted country nearly all of these radicals looked to paine as their spiritual leader and to thomas jefferson as their political champion they held egalitarian anti federalist values and promoted an extreme form of participatory democracy that found a niche in the radical wing of jefferson s republican party their divided views on slavery however reveal that democratic republicanism was unable to cope with the realities of that institution as political activists during the 1790s they proved crucial to jefferson s 1800 presidential victory then after his views moderated and their influence waned many repatriated others drifted into anonymity and a few managed to find success in the new world although many of these men are known to us through other histories their influence as a group has never before been so closely examined durey persuasively demonstrates that the intellectual ferment in britain did indeed have tremendous influence on american politics his account of that influence sheds considerable light on transatlantic political history and differences in religious political and economic freedoms skillfully balancing a large cast of characters transatlantic radicals depicts the diversity of their experiences and shows how crucial these reluctant "migr" s were to shaping our republic in its formative years

this text examines women s roles and impact in newspapers women s magazines advertising television entertainment television news film rock music and music television each unit opens with a brief discussion of the history portrayal and employment of women in a specific medium followed by three essays a content analysis that quantifies the role s of women in that medium a descriptive history of a specific woman or women s media group that has affected the medium and a critical essay that challenges readers to think about women and media in new and different ways the text intertwines various perspectives throughout its chapters women as news women as newsmakers and the portrayal of women to give an integrative approach to the study of women and media
