the modern history of iraq is a remarkably readable account of contemporary iraq

placing in historical perspective the crises and upheavals that continue to afflict the country this text weaves together several important themes including the search for a national identity the struggle to achieve social and economic development the changes in political dynamics and the impact of foreign interventions to provide readers with a holistic understanding of modern iraq revised and updated throughout the fourth edition features more discussion of cultural identity and media and society in addition this edition includes two new chapters on the events and shifts in the country of the early twenty first century the us intervention and withdrawal the stabilization and subsequent unraveling of the maliki government the effects of the arab uprisings and the rise of isis and their political economic and social consequences written by noted iraq scholar phebe marr with new co author ibrahim al marashi this text is essential reading for readers who seek to understand modern iraq in the context of historical perspective

for decades historians and societal forces have campaigned for rapprochement reconciliation and dialogue between east asian nations this book is a result of these efforts debates regarding the interpretation of the modern history of east asia continue to affect bilateral relations between the states of the region history education has become a particularly controversial issue in this context this book s main message is that a common understanding regarding the history of east asia is possible even though some differences remain it is not only a major contribution to reconciliation in the region but as the first textbook on the history of east asia written collaboratively by scholars from three east asian countries it is also highly recommended for use in an anglophone teaching environment the authors are a group of historians teachers and concerned citizens from china japan and south korea

offers the first overarching history of the humanities from antiquity to the present

first published in 1989 routledge is an imprint of taylor francis an informa company

in an extraordinary feat of synthesis patricia buckley ebrey a leading scholar of china gives an engaging full gloriously illustrated account of over 8000 years of chinese civilization from prehistoric times through the rise of confucianism buddhism and the imperial dynasties to the modern communist state in addition

she explores the different factors and forces ideas and inventions events and leaders that have shaped the remarkable chinese civilization we know today including the technological advances the population explosion and the turmoil of the cultural revolution everything appears from the influence of leading chinese historians poets novelists and dramatists to the impact of key philosophical and religious ideas art forms family patterns and the mongul manchu and western intrusions
