what can law firms do to ensure justice for all how can they serve the needs of those unable to pay how can law firms improve the quality of life for their lawyers at a time when government support for legal aid is limited and under fire when recent u s presidents have urged increased volunteerism when the american bar association s law firm pro bono challenge is under way and when some within the legal profession have called for mandatory pro bono work this new book examines these important questions the law firm and the public good blends academic scholarship with real world experience as it brings together lawyers who have wrestled with the pressures of everyday practice concerned about deepening the commitment of large law firms to the wider community the authors seek to provide a blueprint for firms concerned with creating developing implementing and evaluating pro bono programs moving beyond the ethical arguments which justify a law firm s commitment to community service the authors argue that pro bono work is in the firm s self interest they show that a heightened concern with the public good can improve a lawyer s spirit sharpen lawyering skills and enhance the humanistic traditions of law practice they conclude that professional responsibility and self interest support the same conclusion that the law firm and the public good are inextricably linked and that each can draw strength from the other in ways that nourish both the contributors are william a bradford jr hogan hartson senior circuit judge frank m coffin u s court of appeals for the first circuit anthony f earley jr detroit edison marc galanter university of wisconsin madison donald w hoagland davis graham stubbs william c kelly jr latham watkins esther f lardent director of the aba s law firm pro bono project edwin l noel armstrong teasdale schlafly davis thomas palay university of wisconsin madison j

peter lynch is america s number one money manager his mantra average investors can become experts in their own field and can pick winning stocks as effectively as wall street professionals by doing just a little research now in a new introduction written specifically for this edition of one up on wall street lynch gives his take on the incredible rise of internet stocks as well as a list of twenty winning companies of high tech 90s that many of these winners are low tech supports his thesis that amateur investors can continue to reap exceptional rewards from mundane easy to understand companies they encounter in their daily lives investment opportunities abound for the layperson lynch says by simply observing business developments and taking notice of your immediate world from the mall to the workplace you can discover potentially successful companies before professional analysts do this jump on the experts is what produces tenbaggers the stocks that appreciate tenfold or more and turn an average stock portfolio into a star performer the former star manager of fidelity s multibillion dollar magellan fund lynch reveals how he achieved his spectacular record writing with john rothchild lynch offers easy to follow directions for sorting out the long shots from the no shots by reviewing a company s financial statements and by identifying

which numbers really count he explains how to stalk tenbaggers and lays out the guidelines for investing in cyclical turnaround and fast growing companies lynch promises that if you ignore the ups and downs of the market and the endless speculation about interest rates in the long term anywhere from five to fifteen years your portfolio will reward you this advice has proved to be timeless and has made one up on wall street a number one bestseller and now this classic is as valuable in the new millennium as ever

the aba journal serves the legal profession qualified recipients are lawyers and judges law students law librarians and associate members of the american bar association

when the 1974 recession hit wall street investment professionals desperately turned to academia to help regain the value of their clients holdings bernstein shows how wall street finally embraced the advances wrought in academic seminars and technical journals tht ultimately transformed the art of investing

this is an early 20th century work on wall street and the stock market particularly speculation from the intro wall street speculation is the most stupendous game known to the world of chance as compared with it the game at monte carlo pales into utter insignificance in no other game are the stakes so high is success so transitory and failure so overwhelming it is a game in which the wealth of croesus changes hands in a single hour a game in which a few manipulators behind the scenes pile up millions on top of more millions year after year but in which the vast majority of the outside public who tamper with it go to financial and often to physical and moral ruin many who are unacquainted with wall street methods regard speculation in stocks on a margin as legitimate business this however is an error which we may as well acknowledge first as last it is as i say a game run by wall street s millionaires and multimillionaires who since the organization of the stock exchange have succeeded in filching from the pockets of the general public without giving any equivalent whatever untold millions the public s annual average of loss to wall street has usually been estimated in former years at 100 000 000 per annum but owing to the more recent enterprising methods of the street in manipulating the game this estimate is now far too small as we shall see

a hands on introduction to what happens on the street if you are entering or thinking of joining the financial industry this book is a must nikunj kapadia professor isenberg school of management university of massachusetts amherst written by an experienced trader in a clear conversational style and assuming no previous background in finance the practical guide to wall street provides a thorough schooling in the core curriculum of the equity and equity derivatives sales and trading business exactly what you d learn sitting beside the traders at a tier one wall street investment bank except that in practice traders rarely have time to provide such detailed explanations topics include clear detailed intuitive explanations of all major products their function pricing and risks several unavailable elsewhere despite producing billions in annual revenue for wall street the layout of the trading floor the roles and responsibilities of the different sales and trading groups and how they interact to service the client business an overview of the structure of the macro economy and the trader s perspective on the significance of economic data releases and their impact on the financial markets a review of those concepts from fundamental valuation and financial statement analysis of greatest relevance on the trading floor as opposed to abstract valuation models practical details of

the structure and functioning of the equity and derivative markets including translations of trader jargon bloomberg tips market conventions liquidity and risk considerations and much more this book provides the first comprehensive explanation of all aspects of the functioning of the equities division with information details and insights previously available only to those who already worked on a trading floor in a format accessible to non professionals it fundamentally changes the level of knowledge employers in the industry can expect of new hires

wall street is a funny business all you have is your reputation taint it and someone else will fill your shoes longevity comes from maintaining that reputation ask jack grubman the all star telecom analyst from salomon smith barney uber banker frank quattrone at cs first boston morgan stanley s mary queen of the net meeker or merrill lynch s henry blodget well they probably won t tell you anything but have i got some great stories for you successful hedge fund manager andy kessler looks back on his years as an analyst on wall street and offers this cautionary tale of the intoxicating forces loose in the world of finance that overwhelmed sober analysis
