the third edition of this core textbook edited and contributed to by recognised international authorities on the subject outlines the critical contextual and theoretical issues of business and management in asia and offers a fresh topical analysis of management in the major asian nations featuring an accessible two part structure and updated with the latest research the book will enable students to assess asian management systems and the strategies adopted by corporations and governments the text s thought provoking teaching and learning tools guide students through a number of the key topics in the field including globalization regionalism corporate social responsibility ethics ecological issues industrial relations and sustainability this is an ideal textbook for upper level undergraduates and mba students studying modules in asian business and management in addition it is an essential text for managers and executives seeking a more realistic understanding of business and management in asia as an evolving adaptive system

our understanding of management in asia has not kept pace with the demands of managers and students the handbook of asian management provides in depth critical reviews of central topics in strategy and organizational behavior research in asian contexts leading scholars take stock of what has been learned and give clear directions towards greater rigor and relevance for research in this region

this book focuses on the planning marketing and management of asian tourism destinations and evaluates current developments within southeast asia and the wider asia pacific region as more asian destinations enter the global tourism arena and more asian travellers look to explore destinations in asia and beyond an understanding of how asian destinations practice tourism is crucial to the future sustainable development of global tourism this book provides an invaluable stock of research and knowledge based on the asian practice and experience in destination planning marketing and management offering insights into the latest development and trends in the region

as a rapidly rising force in the global market asian countries hold opportunities for growth and development however in order to successfully gain entry into this new part of the market it will first be necessary to understand the motives and background behind asian economies asian business and management practices trends and global considerations analyzes the various strategies found in the asian economic market showcasing a broad range of countries in southeast asia in addition to china and india this publication is a broad widely encompassing resource for academics phd students experts policymakers and government officials interested in understanding the background and applications behind business success in asia

navigating paradigm changes is a critical element of business leadership analog to digital brand to retailer to consumer reason to emotion west to east anything that illuminates these powershifts is valuable for the fast moving decision maker and in this respect asian versus western management thinking is a first rate inquiry into cultural business behaviors insular frameworks of thinking and action matter less by the second i m an and and practitioner and my experience of bridging business between east and west and vice versa suggests we need to know the human distinctions that matter and the harmonies that will matter even more between the covers of this book by kimio kase and colleagues business moves forward kevin roberts ceo worldwide saatchi saatchi lovemarks company having lived and worked my entire life in various countries around the world i agree with the authors premise that asians and westerners often approach business problems from different angles rather than focusing on differences i welcome the strength that comes from diversity as my experience at renault and nissan has demonstrated the richest solutions come when ideas are challenged or questioned by people who have a different perspective this book illustrates the value of accepting diverging ideas as a fact of life that can be used to enhance the world in which we all live and work carlos ghosn chairman and chief executive officer renault nissan alliance a most welcome addition to the unbalanced management literature about the analytical west and the synthetic east for too long the field has been dominated by comparisons of cultural value systems which paradoxically tell us precious little about how habits of mind influence management thinking and practice in different parts of the world over time at a time when the world s economic centre of gravity is visibly shifting to asia this really is a most timely book nigel holden visiting research fellow at the centre for international business at the university of leeds uk

this wide ranging review of human resources management hrm in asia draws attention to issues which are substantially different from those which a western trained manager or student would expect intra regional issues are examined and in an unusual approach topics are organised thematically rather than by the more typical country by country approach

this book offers 27 comprehensive case studies of real asia pacific business organizations and industries undergoing strategic change the author reviews financial analysis techniques and thoroughly describes the analytical tools and techniques of strategic management

asia is a continent of contradictions and boundaries it offers exciting business opportunities but is also characterized by unpredictability and conflict while flexibility and creativity are in the dna of many startups in china major players like xiaomi and alibaba have also emerged as global giants challenging established global competitors the authors of this book show that these companies are crossing various boundaries between cultures mindsets and perspectives at the same time western companies entering asian markets face challenges that are very different from those on their home turf this book addresses the needs of current and future managers doing business in asia who need to understand the individual social and business challenges that can arise from crossing boundaries the respective case studies provide essential insights on how several asian companies have made impressive strides towards becoming established players how the revival of local brands and growing pride in local products has become a major challenge for global competition how the need to actively practice corporate social responsibility in asian markets is currently challenging many companies and how the need for individual and team coaching among the members of management to support a company s development has grown tremendously calling for new solutions

paul temporal shows how the fundamental principles of brand building are transferable to the asian environment a diverse collection of asian caselets should convince us that the 21st century will see the emergence of more asian regional and global megabrands professor john a quelch dean london business school branding in asia addresses an unusual situation in asia how is it that a region which has such high brand appreciation produces few international brands of its own the author s analysis of actual case studies ranging from powerful global brands to local companies illustrates his points clearly this coupled with a sensitive understanding of the cultural differences in the region makes it an excellent reference for everyone working with brands felix herrnberger president bmw asia pte ltd paul temporal succinctly dissects the often mystical qualities that make up a successful brand too often western insights models and case studies are applied arbitrarily across the globe it is so refreshing to see branding tackled from a purely asian perspective an invaluable reference book and eminently readable the step by step style and volume of relevant cases and examples makes this a must have for any manager in asia looking to embark on creating his own regional or global brand ray dempsey area manager mccann erickson south east asia

this first edition of managing human resources an asian perspective is based on the textbook human resource management 6th edition by raymond j stone the longest running and most successful australian textbook ever produced in the field of hrm despite its parent textbook having also been popular in asia over a long period author ray stone s many years of living working and teaching in asia provided the impetus for
