the third edition of this core textbook edited and contributed to by recognised international authorities on the subject outlines the critical contextual and theoretical issues of business and management in asia and offers a fresh topical analysis of management in the major asian nations featuring an accessible two part structure and updated with the latest research the book will enable students to assess asian management systems and the strategies adopted by corporations and governments the text s thought provoking teaching and learning tools guide students through a number of the key topics in the field including globalization regionalism corporate social responsibility ethics ecological issues industrial relations and sustainability this is an ideal textbook for upper level undergraduates and mba students studying modules in asian business and management in addition it is an essential text for managers and executives seeking a more realistic understanding of business and management in asia as an evolving adaptive system

our understanding of management in asia has not kept pace with the demands of managers and students the handbook of asian management provides in depth critical

reviews of central topics in strategy and organizational behavior research in asian contexts leading scholars take stock of what has been learned and give clear directions towards greater rigor and relevance for research in this region

this book focuses on the planning marketing and management of asian tourism destinations and evaluates current developments within southeast asia and the wider asia pacific region as more asian destinations enter the global tourism arena and more asian travellers look to explore destinations in asia and beyond an understanding of how asian destinations practice tourism is crucial to the future sustainable development of global tourism this book provides an invaluable stock of research and knowledge based on the asian practice and experience in destination planning marketing and management offering insights into the latest development and trends in the region

this book presents an hrm scenario in a number of south east asian and pacific rim countries highlighting the growth of the hr function in these countries their dominant hrm systems and the challenges faced

as a rapidly rising force in the global market asian countries hold opportunities for growth and development however in order to successfully gain entry into this new part of the market it will first be necessary to understand the motives and background behind asian economies asian business and management practices trends and global considerations analyzes the various strategies found in the asian economic market showcasing a broad range of countries in southeast asia in addition to china and india this publication is a broad widely encompassing resource for academics phd students experts policymakers and government officials interested in understanding the background and applications behind business success in asia

navigating paradigm changes is a critical element of business leadership analog to digital brand to retailer to consumer reason to emotion west to east anything that illuminates these powershifts is valuable for the fast moving decision maker and in this respect asian versus western management thinking is a first rate inquiry into cultural business behaviors insular frameworks of thinking and action matter less by the second i m an and and practitioner and my experience of bridging business between east and west and vice versa suggests we need to know the human distinctions that matter and the harmonies that will matter even more between the covers of this book by kimio kase and colleagues business moves forward kevin roberts ceo worldwide saatchi saatchi lovemarks company having lived and worked my entire life in various countries around the world i agree with the authors premise that asians and westerners often approach business problems from different angles rather than focusing on differences i welcome the strength that comes from diversity as my experience at renault and nissan has demonstrated the richest solutions come when ideas are challenged or questioned by people who have a different perspective this book illustrates the value of accepting diverging ideas as a fact of life that can be used to enhance the world in which we all live and work carlos ghosn chairman and chief executive officer renault nissan alliance a most welcome addition to the unbalanced management literature about the analytical west and the synthetic east for too long the field has been dominated by comparisons of cultural value systems which paradoxically tell us precious little about how habits of mind influence management thinking and practice in different parts of the world over time at a time when the world s economic centre of gravity is visibly shifting to asia this really is a most timely book nigel holden visiting research fellow at the centre for international business at the university of leeds uk

this book offers 27 comprehensive case studies of real asia pacific business organizations and industries undergoing strategic change the author reviews financial analysis techniques and thoroughly describes the analytical tools and techniques of strategic management

this wide ranging review of human resources management hrm in asia draws attention to issues which are substantially different from those which a western trained manager or student would expect intra regional issues are examined and in an unusual approach topics are organised thematically rather than by the more typical country by country approach

given the enormous economic and developmental changes being experienced by nations in the asia pacific region and the related movement of people between and across countries it is critical that we better understand the hrm policies and practices of these nations the latest instalment in the global hrm series managing human resources in asia pacific 2e presents the hrm situations in a number of south east asian and pacific rim countries highlighting the growth of the personnel and hr function the dominant hrm systems in the area the influence of different factors on hrm and the challenges faced by hr functions in these nations this edition extends its coverage to cambodia fiji indonesia and the philippines a new chapter discusses hr research challenges in the region such as the transferability of western constructs problems with data collection and the emergence of mnes from asia pacific

analysing the role of multinational investors in emerging asian economies and the implications for regional economic integration this astute study examines the increasing role being played by asian countries in the global economy encompassing a large number of diverse manufacturing and service sectors this book highlights the cultural and strategic challenges faced by multinational investors in the region in which they invest it shows that despite high rates of economic growth in asian countries presenting multinational traders and investors with unparalleled market opportunities there have been only tentative moves towards regional economic integration areas such as trade facilitation uniform customs clearance removal of non tariff barriers and labour deployment issues are yet to be adequately addressed

asia is a continent of contradictions and boundaries it offers exciting business opportunities but is also characterized by unpredictability and conflict while flexibility and creativity are in the dna of many startups in china major players like xiaomi and alibaba have also emerged as global giants challenging established global competitors the authors of this book show that these companies are crossing various boundaries between cultures mindsets and perspectives at the same time western companies entering asian markets face challenges that are very different from those on their home turf this book addresses the needs of current and future managers doing business in asia who need to understand the individual social and business challenges that can arise from crossing boundaries the respective case studies provide essential insights on how several asian companies have made impressive strides towards becoming established players how the revival of local brands and growing pride in local products has become a major challenge for global competition how the need to actively practice corporate social responsibility in asian markets is currently challenging many companies and how the need for individual and team coaching among the members of management to support a company s development has grown tremendously calling for new solutions

paul temporal shows how the fundamental principles of brand building are transferable to the asian environment a diverse collection of asian caselets should convince us that the 21st century will see the emergence of more asian regional and global megabrands professor john a quelch dean london business school branding in asia addresses an unusual situation in asia how is it that a region which has such high brand appreciation produces few international brands of its own the author s analysis of actual case studies ranging from powerful global brands to local companies illustrates his points clearly this coupled with a sensitive understanding of the cultural differences in the region makes it an excellent reference for everyone working with brands felix herrnberger president bmw asia pte ltd paul temporal succinctly dissects the often mystical qualities that make up a successful brand too often western insights models and case studies are applied arbitrarily across the globe it is so refreshing to see branding tackled from a purely asian perspective an invaluable reference book and eminently readable the step by step style and volume of relevant cases and examples makes this a must have for any manager in asia looking to embark on creating his own regional or global brand ray dempsey area manager mccann erickson south east asia

explosive economic and social changes in the asia pacific region have meant that much of what we know about the area is outdated this book addresses this and looks at the human resource period with detailed analysis discussion and predictions for the future focusing on the areas of china hong kong japan korea the philippines singapore taiwan and thailand the book explores the reasons behind changes and whether they indicate movement of convergence or divergence the key issues for management and the implications for theory development this is the latest research available on this subject a must for managers researchers and those teaching undergraduate or postgraduate courses as well as those interested in international business sociology and employee relations

this work provides a comprehensive overview of culture and management in the major east and southeast asian economies with each chapter providing a survey of the country s history culture and economy
