research paper undergraduate from the year 2007 in the subject business economics marketing corporate communication crm market research social media grade 1 3 university of applied sciences berlin course marketing language english abstract due to strong competition and a continuous market change most companies engage in strategic planning today to become or stay competitive in the long run strategy is all embracing strategy has to capture internal and external aspects that means to comprise competencies and market opportunities strategy has to keep in view the own company the customers and the competitors the challenge is to create customer values and competitive advantages to assure benefits and growth as a result the starting point of every strategic decision demonstrates the recognition and the analysis of the company s current situation containing a high variety of parameters these parameters are generally defined by the company s influence into internal and external parameters however the understanding of the company s situation is only defined in absolute by analysing parameters and its bilateral dependencies therefore the combination of the company s internal factors and the external environmental circumstances presents the basis for the strategy development and the resulting organisational marketing goals and application of the marketing instruments the swot analysis is a strategic planning tool used to evaluate the strengths weaknesses opportunities

and threats of a company it provides information that is helpful in matching the company's resources and capabilities to the competitive environment in which it operates the resulting swot matrix contrasts the results of the internal analysis strengths and weakness and the external analysis opportunities and threats to define strategic fields of action that application of a swot analysis is therefore instrumental in strategy formulation and selection

this guide explains swot analysis as a practical tool to help farmers and business owners make better decisions and improve their business success

seminar paper from the year 2008 in the subject business economics offline marketing and online marketing grade 1 0 university of applied sciences berlin language english abstract marketing offers numerous valuable tools to analyze a company's current situation though most of them have the weakness of providing only a very isolated view that is not suitable for a long term entrepreneurial decision the swot analysis however pursues an integrated approach including key company and environmental variables the objective is the confrontation of the company's internal strengths and its weaknesses as well as company external business opportunities and risks in order to generate possible strategic options the swot analysis particularly supports a combined and integrated approach of the current company situation enabling well balanced and comprehensive decisions one main benefit is thus the reduction of complexity through the integrated approach leaving the key factors and strategies as analytical residue in practice the swot method is a well established tool to analyze business units in larger companies and smaller start ups in particular during their launch the swot analysis though reveals limited possibilities when analyzing all business units of large companies for this task other more holistic approaches as the share holder value concept or the portfolio analysis are appropriate however this large field of tools will not be treated in this assignment the swot analysis is though despite its disadvantages one of the most important instruments for the internal analysis of a company's situation that in every case delivers a pretty comprehensive and resilient foundation for further entrepreneurial decisions and strategic planning

what is swot analysis and how does it work by whom can it be used and with what results how can this tool make a difference to a person's career development or the growth of an entire organization in this guide you will find a simple clear and comprehensive explanation of how to build a swot matrix that works the book takes the reader by the hand and accompanies him/her through four gradual steps which highlight the key points of the subject what a swot analysis is and how it works what the best preparation and construction strategies are how to create an effective matrix what are the best practices and common mistakes to avoid in order to achieve successful swot analysis learning to take advantage of this market analysis strategy can become an accessible activity for anyone but only if you know how to do it stop wasting time behind thousands of pages of theoretical manuals and discover what really matters through simple stimulating and immediate reading

seminar paper from the year 2008 in the subject business economics marketing corporate communication crm market research social media grade 10 university of applied sciences berlin language english abstract marketing offers numerous valuable tools to analyze a company's current situation though most of them have the weakness of providing only a very isolated view that is not suitable for a long term entrepreneurial decision the swot analysis however pursues an integrated approach including key company and environmental variables the objective is the confrontation of the company's internal strengths and its weaknesses as well as company external business opportunities and risks in order to generate possible strategic options the swot analysis particularly supports a combined and integrated approach of the current company situation enabling well balanced and comprehensive decisions one main benefit is thus the reduction of complexity through the integrated approach leaving the key factors and strategies as analytical residue in practice the swot method is a well established tool to analyze business units in larger companies and smaller start-ups in particular during their launch the swot analysis though reveals limited possibilities when analyzing all business units of large companies for this task other more holistic approaches as the share holder value concept or the portfolio analysis are appropriate however this large field of tools will not be treated in this assignment the swot analysis is though despite its disadvantages one of the most important instruments for the internal analysis of a company's situation that in

every case delivers a pretty comprehensive and resilient foundation for further entrepreneurial decisions and strategic planning

seminar paper from the year 2004 in the subject business economics business management corporate governance grade 1 7 a university of constance department of management course strategic management concepts and cases language english abstract the robert mondavi company has been one of the most innovative high quality winemakers in the us history however during the last years the company is facing increasing competition especially in their main segment premium wine the first step of this swot analyses is an examination of the environment the robert mondavi company is settled in afterwards we will give an overview regarding three internal aspects resource situation strength and weaknesses of the value chain and core competencies in the third part we will draw the line using the gained information of the swot analyses and the company s current situation to explain the recent strategies and future prospects the leading question will be is the company s resource allocation and strategy still adequate to succeed the new challenges and what are possible alternatives

seminar paper from the year 2011 in the subject business economics business management corporate governance grade 1 0 university of applied sciences deggendorf course management tools language english abstract the growing influence of customers on product design increasing market dynamics the negotiating power of suppliers the decreasing half life of product life cycles or political legal and macroeconomic changes present companies with enormous challenges in addition the pressure of time success and turnover tempt senior management to take ill considered individual measures which may promise success in the short term but are doomed to failure in the long term instead before decisions are made a well founded analysis process is necessary that continuously weighs up opportunities and risks or strengths and weaknesses and embeds them in a corporate strategy that promises success the explosiveness and necessity of an instrument for the analysis of opportunities and risks or strengths and weaknesses can be well illustrated by current economic and political events especially in the automotive industry before the management tool of the swot analysis is explicitly discussed at the beginning of this work a classification of the swot analysis in the process of the strategic management takes place before then more near on the basic idea of this management tool is dealt

with the information from the environmental analysis in chapter 2 4 and enterprise analysis in chapter 2 5 flows into the illustration of a combined swot portfolio in chapter 2 6 after the presentation of the objectives and the consideration of advantages and disadvantages in chapter 2 8 a short summary of the results is given at the end of the thesis as well as an assessment of the author with regard to the future relevance of the analysis tool as a starting point for strategic decisions in companies

seminar paper from the year 2012 in the subject business economics business management corporate governance university of southern california language english abstract in this paper we first use swot analysis and porter s five force analysis to fully analyze kodak s current position in the market in addition we discuss financial strategy marketing strategy and several suggestions on the changing of company culture globalization and shifts in technology have changed the thinking of consumers digital cameras and cell phones have created a shift in the way most people take pictures and retrieve their photos kodak failed in reinventing the company s core business model successfully during the past few years the growth of new core business didn t make up the effects of kodak s fast fading film revenues kodak is currently in serious financial trouble quickly going through cash selling patents and accessing credit lines we are facing a difficult task in what can be considered one of the hardest financial times kodak has ever been through
