Joseph Conrad 1857-1924 is widely considered one of the great modern writers in English literature. This 21-volume set contains titles originally published between 1976 and 1990 as well as a biography from 1957 written by one of his closest friends. The first 18 books are a set of concordances and indexes to Conrad's printed works which were part of a project directed by Todd K. Bender at the University of Wisconsin-Madison, USA and are among the first attempts to use the power of computers to enhance our reading environment and assist in lexicography.
