creativity is crucial to business success but too often even the most innovative organization quickly becomes a giant hairball a tangled impenetrable mass of rules traditions and systems all based on what worked in the past that exercises an inexorable pull into mediocrity gordon mckenzie worked at hallmark cards for thirty years many of which he spent inspiring his colleagues to slip the bonds of corporate normalcy and rise to orbit to a mode of dreaming daring and doing above and beyond the rubber stamp confines of the administrative mind set in his deeply funny book exuberantly illustrated in full color he shares the story of his own professional evolution together with lessons on awakening and fostering creative genius originally self published and already a business cult classic this personally empowering and entertaining look at the intersection between human creativity and the bottom line is now widely available to bookstores it will be a must read for any manager looking for new ways to invigorate employees and any professional who wants to achieve his or her best most self expressive most creative and fulfilling work

what does it really take to succeed in business today in a new brand world scott bedbury who helped make nike and starbucks two of the most successful brands of recent years explains this often mysterious process by setting out the principles that helped these companies become leaders in their respective industries with illuminating anecdotes from his own in the trenches experiences and dozens of case studies of other winning and failed branding efforts including harley davidson guinness the gap and disney bedbury offers practical battle tested advice for keeping any business at the top of its game

people yearn for leaders who are authentic who show their own face and not a game face who find and use their voice in appropriate ways and act with a tangible sense of integrity those who engage in the process of leadership each of us at some point want to do so as our true self but staying true to one s self is not easy we are continually moving in and out of authenticity we are present one moment and absent the next we often say yes when we want to say no we act from our core values some of the time but give them a wink when the heat is on there is no formula for being integral and authentic becoming and being ourselves requires confidence and courage drawing on the author s 40 years in leadership training this book discusses the things we can do along the way recognizing our strengths and limitations speaking truth to power trusting our companions as we strive to fulfill our leadership potential instructors considering this book for use in a course
