this dissertation examines how human resources are managed at selected ethiopian private companies how ethiopian human resource management practice is evolving and how it can be improved the examination is qualitative and exploratory since no comparative research on human resource management has yet been conducted at ethiopian profit or non profit organizations an understanding of ethiopian human resource management practice makes it possible to improve ethiopian human resource management practice and thus to increase employee productivity the study took place at four manufacturing and four service companies in addis ababa all representative of their sector the research claim is that ethiopian human resource management practices differ from human resource management practices in the west due to differences in cultural factors economic systems political systems and legal and industrial relations for this reason ethiopia s culture politics economy and legal and industrial relations have been analyzed the main finding of this study is that the importance of human resource management is not uniformly understood at all the case study companies although the multinational companies based in ethiopia see their human resources as the companies most important asset as human capital the local companies generally do not the fact that respondents claim that ethiopia has limited experience in industrialization might explain why human resource management in ethiopia is rudimentary and still has a long way to go with this dissertation the researcher wants to contribute to improving ethiopian human resource management practice moreover this dissertation may be used as a framework for similar research in other sectors or for more specific in depth research this dissertation may also serve as a knowledge base for company managers business consultants academics and government officials of countries with a national culture similar to ethiopia s for example kenya tanzania and zambia countries undergoing or which have undergone a recent transition to a free market economy and countries facing similar macro economic developments

robbins leading the way in ob written as an alternative to robbins larger organisational behaviour text ob the essentials is an applied and focused text that will help your students to quickly grasp the essential elements of ob in an engaging 13 chapter format this book retains the fluid writing style academic rigour and extensive use of examples that are trademark features of the robbins texts while there are less chapters the book continues to provide cutting edge content that is often missing in other ob books this is not merely a subset of material from robbins organisational behaviour text it was written from the ground up to present all the essential content in a shorter format this new text will have broad appeal particularly to visual learners who

will appreciate the lively design and extensive use of examples and photographs to aid comprehension and retention of concepts new co author dr michael jones of the university of wollongong brings his avid enthusiasm for student education as well as a solid research background in motivation commitment and business operations to the new text reviewers and users of the robbins texts regularly report that they are conversational interesting student friendly and very clear and understandable packed full of pedagogical features that will engage and stimulate your students ob the essentials will ensure that they are getting a sound understanding of ob features such as the applying knowledge and student challenge boxes prompt students to apply and think strategically about what they have just learnt

this book is an extension of the authors one topic of phd research i e motivation theories and its application to the teaching profession it can give readers dual benefit of theoretical knowledge of motivation and existing theories of motivation in detail this is an attempt to put all the theories in one book plus an analysis of these theories has also been made relating to its application to the teaching profession in colleges in india the comments are given based on the study of elaborate literature review of various articles and books written by eminent educationists on the state of college education at the end of book the author has suggested her own theory in order to motivate teachers

applying organization theory to public and governance organizations organization theory and governance for the 21st century presents readers with a conscious and thoughtful awareness of the history and evolving nature of organizations authors sandra parkes pershing and eric austin address emerging theories rarely touched upon in competing titles and take a deeper look into assumed theories to give the student a chance to critically consider the consequences these embedded assumptions have for organizational practice by providing a consistent theoretical grounding and a clear focus on post traditionalist thinking the book gives students the background they need to analyze organizational settings and take effective action in the unique setting of contemporary governance

recent books have drawn attention to an unfinished gender revolution and the reversal of gender progress however this literature primarily focuses on gender inequality in the family and its effect on women s career and family choices while an important topic these works are critiqued for being particularly attentive to the concerns of middle class heterosexual white women and ignoring or erasing the issues and experiences of the vast majority of women throughout the united states and other countries women and inequality in the 21st century is an edited collection that addresses this dearth in

the current literature this book examines the continued inequities navigated by women occupying marginalized social positions within a nexus of power relations it addresses the experiences of immigrant women of color aging women normative gender constraints faced by lesbian and gender non conforming individuals assigned the female gender at birth religious constraints on women s sexual expression and religious and ethnic barriers impeding access to equality for women across the globe contributors to this collection reflect varying fields of inquiry including sociology psychology theology history and anthropology their works employ empirical research methods hermeneutic analysis and narrative to capture the unique gender experiences and negotiations of diverse 21 st century women

the book is a most modest attempt to help young students in understanding this fascinating subject organizational behaviour in a systematic manner with lucid exposition of its different facets but in a simple language

encyclopedia of e leadership counseling and training offers an in depth description of key terms and concepts related to different themes issues and trends in educational leadership counseling and technology integration in modern universities and organizations worldwide this three volume work serves as an exhaustive compendium of expertise research skills and experiences authors with a background in education leadership counseling management human resource development or adult education have helped to encourage the education and training of potential leaders with this scholarly work

one of the world s leading management experts distills today s most important management research into 64 principles robbins rips away the hype fads and cliches that keep managers from seeing reality delivering no holds barred advice for hiring motivation leadership communication performance evaluation and more
