this innovative volume traces brazil s singular character exploring both the remarkable richness and cohesion of the national culture and the contradictions and tensions that have developed over time what shared experiences give its citizens their sense of being brazilian what memories bind them together what metaphors and stereotypes of identity have emerged which groups are privileged over others in idealized representations of the nation the contributors a multidisciplinary group of u s and brazilian scholars offer a fresh look at questions that have been asked since the early nineteenth century and that continue to drive nationalist discourse today their chapters explore brazilian identity through an innovative framework that brings in seldom considered aspects of art music and visual images offering a compelling analysis of how nationalism functions as a social political and cultural construction in latin america contributions by cristina antunes dain borges valéria costa e silva james green efrain kristal ludwig lauerhass jr cristina magaldi elizabeth a marchant josé mindlin carmen nava josé luis passos robert stam and valéria torres

in a major expansion of the conversation on music and film history the routledge companion to global film music in the early sound era draws together a wide ranging collection of scholarship on music in global cinema during the transition from silent to sound films the late 1920s to the 1940s moving beyond the traditional focus on hollywood this companion considers the vast

range of cinema and music created in often overlooked regions throughout the rest of the world providing crucial global context to film music history an extensive editorial introduction and 50 chapters from an array of international experts connect the music and sound of these films to regional and transnational issues culturally historically and aesthetically across five parts western europe and scandinavia central and eastern europe north africa the middle east asia and australasia latin america soviet russia filling a major gap in the literature the routledge companion to global film music in the early sound era offers an essential reference for scholars of music film studies and cultural history

this book provides a multifaceted view on the relation between the old and the new in music between tradition and innovation this is a much debated issue generating various ideas and theories which rarely come to unanimous conclusions therefore the book offers diverse perspectives on topics such as national identities narrative strategies the question of musical performance and musical meaning alongside themes of general interest such as classical repertoire the music of well established composers and musical topics the chapters of the book also touch on specific but equally interesting subjects like brazilian traditions serbian and romanian composers and the lullaby while the book is mostly addressed to researchers it can also be recommended to students in musicology ethnomusicology musical performance and musical semiotics

this volume discusses composers such as debussy villa lobos ravel and berg in the context of the string quartet it offers the observations and intuitions of 20 leading authorities on quartets

this volume discusses trends in twentieth century latin american literature philosophy art music and popular culture

noted brazilian composer heitor villa lobos holds a distinctive position as an international artist and in gerard béhague s comprehensive study a truly critical assessment of his creative output is available for the first time villa lobos was a representative of the most natural and direct expressions of brazil s popular culture constantly in search of the brazilian soul indeed alma brasileira was the subtitle he gave to the piano piece choros no 5 and the musical manifestations of that soul preoccupied him throughout his life expanded from a prize winning essay the present study provides a critical appraisal of the significant aspects of his life as well as an in depth analysis of his musical language with over fifty musical examples a bibliography and a discography this book presents a thorough analysis of villa lobos s composition craftsmanship and ideology that should appeal to musicologists students and all who have an interest in latin american cultural and historical studies villa lobos once stated i consider my works as letters that i wrote to posterity without expecting any answer this book provides readings of a selected number of such letters and in the process attempts to give some answers regarding the uniqueness of the music of one of the most creative composers of the twentieth century back cover
