this book explains the persistence of friendship today in the light of the history of philosophical approaches to the subject

contains articles on the white mountains and a map

friendship in the graeco roman world took a wide variety of forms with some friendships involving nothing more than a political alliance or patron client

relationship and others involving deep personal intimacy when jesus says his disciples are to be called friends what type of friendship does he have in mind friendship may seem a relatively insignificant motif in the gospel of john since the author does not explicitly set out to provide a philosophical discourse on the nature of friendship nor does he explicitly state that the narrative is about friendship in this study however culy having carefully examined graeco roman literature on friendship demonstrates that the language of what he calls ideal friendship actually pervades the fourth gospel from beginning to end and serves as a primary vehicle for characterizing the relationships that are introduced in the prologue and fleshed out throughout the course of the narrative taking up the friendship motif as a tool of characterization the gospel of john points to a striking implication of the life death and resurrection of jesus that followers of jesus are invited to enjoy a level of intimacy with him that can actually and perhaps only be compared to the level of intimacy that he enjoys with the father the johannine jesus then came not just to save the world but also to offer those who would follow him a relationship that graeco roman philosophers only dreamed of a relationship where all the ingredients of ideal friendship were present
