a kirkus reviews best book of the year nonfiction finalist for the marfield prize national award for arts writing evokes the fire of redding ribowsky tells the story with nonstop energy while always probing for the larger social and musical pictures new york times book review when he died in one of rock's string of tragic plane crashes otis redding was only twenty six yet already the avatar of a new kind of soul music the beating heart of memphis based stax records he had risen to fame belting out gospel flecked blues in stage performances that seemed to ignite not only a room but an entire generation if berry gordy's black owned kingdom in motown showed the way in soul music redding made his own way going where not even his two role models who had preceded him out of macon georgia little richard and james brown had gone now in this transformative work new york times notable book author mark ribowsky contextualizes his subject's short career within the larger cultural and social movements of the era tracing the crooner's rise from preacher's son to a preacher of three minute soul sermons and what a

quick rise it was at the tender age of twenty one redding needed only a single unscheduled performance to earn a record deal his voice so utterly unique atlantic that it catapulted him on a path to stardom and turned a memphis theater turned studio into a music mecca soon he was playing at sold out venues across the world from finsbury park in london to his ultimate conquest the 1967 monterrey pop festival in california where he finally won over the flower power crowd still redding was not always the affable big hearted man s man the pr material painted him to be based on numerous new interviews and prodigious research dreams to remember reintroduces an incredibly talented yet impulsive man one who once even risked his career by shooting a man in the leg but that temperament masked a deep vulnerability that was only exacerbated by an industry that refused him a grammy until he was in his grave even as he shaped the other stax soul men around him like wilson pickett sam and dave and booker t and the mg s as a result this requiem is one of great conquest but also grand tragedy a soul king of truth a mortal man with an immortal voice and a pain in his heart now he and the forces that shaped his incomparable sound are reclaimed giving us a panoramic of an american original who would come to define an entire era yet only wanted what all men deserve a modicum of respect and a place to watch the ships roll in and away again

the proof of any group s importance to history is in the detail a fact made plain by this informative book s day by day documentation of the impact of african americans on life in the united states one of the easiest ways to grasp any aspect of history is to look at it as a continuum african american history day by day a reference guide to events provides just such an opportunity organized in the form of a calendar this book allows readers to see the dates of famous births deaths and events that have affected the lives of african americans and by extension of america as a whole each day features an entry with information about an important event that occurred on that date background on the highlighted event is provided along with a link to at least one primary source document and references to books and websites that can provide more information while there are other calendars of african american history this one is set apart by its level of academic detail it is not only a calendar but also an easy to use reference and learning tool

in the meaning of soul emily j lordi proposes a new understanding of this famously elusive concept in the 1960s lordi argues soul came to signify a cultural belief in black resilience which was enacted through musical practices inventive cover versions falsetto vocals ad libs and false endings through these soul techniques artists such as aretha franklin donny hathaway nina simone marvin gaye isaac hayes and minnie riperton performed virtuosic survivorship and thus helped to galvanize black communities in an era of peril and promise their soul legacies were later reanimated by such stars as prince solange knowles and flying lotus breaking with prior understandings of soul as a vague masculinist political formation

tethered to the black power movement lordi offers a vision of soul that foregrounds the intricacies of musical craft the complex personal and social meanings of the music the dynamic movement of soul across time and the leading role played by black women in this musical intellectual tradition

jay z and kanye west s death dance for capitalism

provides short biographies of african americans who have contributed to the performing arts

how do we know music we perform it we compose it we sing it in the shower we cook sleep and dance to it eventually we think and write about it this book represents the culmination of such shared processes each of these essays written by leading writers on popular music is analytical in some sense but none of them treats analysis as an end in itself the books presents a wide range of genres rock dance tv soundtracks country pop soul easy listening turkish arabesk and deals with issues as broad as methodology modernism postmodernism marxism and communication it aims to encourage listeners to think more seriously about the social consequences of the music they spend time with and is the first collection of such essays to incorporate contextualisation in this way

a fascinating exploration of the relationship between american culture and music as defined by musicians scholars and critics from around the world music has been the cornerstone of popular culture in the united states since the beginning of our nation s history from early immigrants sharing the sounds of their native lands to contemporary artists performing benefit concerts for social causes our country s musical expressions reflect where we as a people have been as well as our hope for the future this four volume encyclopedia examines music s influence on contemporary american life tracing historical connections over time music in american life an encyclopedia of the songs styles stars and stories that shaped our culture demonstrates the symbiotic relationship between this art form and our society entries include singers composers lyricists songs musical genres places instruments technologies music in films music in political realms and music shows on television

in this the first serious profile of soul legend otis redding geoff brown talks to stax illuminati booker t jones isaac hayes and david porter plus many others about his tragically brief life infectious personality and incredible talent

music directory with records for artists titles labels and year of release for 45 rpm records published between 1947 and 1982

try a little tenderness is the perfect choice for amateur choirs seeking an elegant and sophisticated centrepiece to their choral pop repertoire based on otis redding

s smooth and soulful take on the song this choral version is bursting with rich harmonies and jazzy chord progressions try a little tenderness has been arranged by jeremy bitchall for satb chorus with piano accompaniment this piece opens with a reasonable challenging intro setting the scene for beautiful and tender song that will captivate and touch

for the reader who is interested in the minutiae of the major rock music back catalogue this book is an absolute treasure it tells what records were released when and how to go about obtaining them

never before has the history of the r b album been spelled out in such exacting intriguing detail joel whitburn s top r b albums 1965 1998 is an artist by artist listing of each of the 2 177 artists and 6 940 albums to appear on billboard s top r b albums chart from its first appearance on january 30 1965 through december 26 1998 here for the first time in one book you ll find the complete album chart histories of r b s legendary performers the charted album achievements of r b favorites and the album chart rise of stellar r b newcomers brimming with chart facts and feats top r b albums 1965 1998 includes the compete listings of all tracks from every top 10 r b album plus artist bios photos rankings and so much more
