the rapid ageing of societies in many industrialized countries threatens the stability of unfunded public pension systems an immigration

policy that accepts young workers would appear to be a simple solution to the challenge by increasing the number of contributors to the pension system tim kriegler uses public choice analysis to investigate whether a majority of voters would pursue an active immigration policy in order to stabilize its unfunded public pension system public pensions and immigration is a thorough and rigorous treatment of pension policy and international labor migration based on public choice theory including an extensive discussion of pension policy in europe and the challenges arising from increased labor mobility between eu member states tim kriegler reveals that the voting outcome critically depends on such parameters as the type of pension system migrant qualifications and the possibility of return migration he argues that the eu institutional framework with respect to pension policy cannot prevent harmful migration between eu member countries which is in part induced by differences in pension systems this book will appeal to researchers and scholars in the fields of economics public choice political science european integration and migration policymakers involved in pension policy immigration policy and european integration policy will also find this an illuminating book

an authentic account of the fanatical judge who hanged eighty eight men
