jamaica is the land where the rooster lays an egg when a jamaican is born of a black woman and some english or scotsman the black mother is literally and figuratively kept out of sight as far as possible but no one is allowed to forget that white father however questionable the circumstances of birth you get the impression that these virile englishmen do not require women to reproduce they just come out to jamaica scratch out a nest and lay eggs that hatch out into pink jamaicans zora neale hurston we may no longer issue scarlet letters but from the way we talk we might as well w for welfare s for single b for black cc for children having children wt for white trash to a culture speaking with barely masked hysteria in which branding is done with words and those branded are outcasts this book brings a voice of reason and a warm reminder of the decency and mutual respect that are missing from so much of our public debate patricia j williams whose acclaimed book the alchemy of race and rights offered a vision for healing the ailing spirit of the law here broadens her focus to address the wounds in america s public soul the sense of community that rhetoric so subtly but surely makes and unmakes in these pages we encounter figures and images plucked from headlines from tonya harding to lani guinier rush limbaugh to hillary clinton clarence thomas to dan quayle and see how their portrayal encoding certain stereotypes often reveals more about us than about them what are we really talking about when we talk about welfare mothers for instance why is calling someone a redneck okay and what does that say about our society when young women appear on phil donahue to represent themselves as jewish american princesses what else are they doing these are among the questions williams considers as she uncovers the shifting often covert rules of conversation that determine who we are as a nation

i have written three short stories involving characters developed from the assistant a sea story my earlier work the principles florence and john decker are not a youthful married couple or are they your typical man and wife their backgrounds are as different as day and night but function better than any oyster movement captain john decker spent most of his adult life at sea a decorated career naval officer and later as a licensed master mariner in command of a modern containership his gregorious life style and good living was truncated by an unwilling physcial plant that had enough bent but not broken john survived and was offered a job ashore by his employer in a less responsible position with comensurate benefits life changed and so did john never a brilliant leader or exciting entrepreneur he is successful because he thinks logically and communicates well he would be outstanding if he knew what he was doing he has survived 8 years in a middle management role and at age 65 planned to retire now married and

relatively settled down john plans to become a partner with flo in a fledgling business inquiry associates flo a lawyer ex fbi special agent and a state judge has found her true place as head of ia inc started as a confidential consulting business it quickly evolved into a problem solving legal investigation resource for the u s government and related friends as the brains of the organization flo has numerous friends acquaintances and people she knows and people that know her on both sides of the law one word describes her integrity the deckers try to live a normal life they are frequently drawn astray by well meaning friends and others that need their special help this compendium relates to only three episodes in the life and struggles of florence and john decker of 1a inc and their daily attempt to normally exist bomb a weigh john and florence decker try the good life only to be trapped in a national emergency that verges on catastrophe a small effective and efficient team of government and public volunteers react and with unexpected assistance battle time to seek solution the fathers the deckers are involved in investigating an international crime threat that if expanded can destroy governments and corrupt nations a quickly organized response team by passes procedures and attacks processes head on the enemy is determined to be more powerful and corrupt than the existing rules can manage therefore a unique process and people are involved in the resolution the prize the past catches up with john decker and a friend asks for assistance in a delicate matter involving an asian nation each development creates a bigger problem political and international organized forces oppose and interfere at each opportunity the friends of the deckers respond and short circuit processes and reach out to international leaders for help the inquiry associates inc is in over its head until the u s government is forced to be involved the tide quickly turns as the professionals act

anitas husband is missing and she blames the mob unfortunately her italian best friend andy is married to it who cares about the husband hes trash anyways according to andy and she has far worse challenges to contend with in her own life whether its her mother father brother in law her special child precocious maria the stove or her husbands hens and rooster anitas got problems forget it andys bones of contentions are mega sized compared to a missing no body or is that a missing body mums the word about the mob in an italian home but its always there hanging around

honest and insightful this memoir is a revealing picture of our recent past of sport and poetry the spirit of new zealand s south and its distinctive people this is the story of a typical dunedin childhood surrounded by nobies an extended family of eccentric grandparents and uncles cousins and neighbours who made a huge impact on a young mind it s also the story of a not so typical family that was fanatical about sport cycling hockey cricket golf fishing and went on to produce top ranking sportsmen it s also the story of the growth of one of new zealand s

most loved poets it shows three boys who became somebodies but no better nor worse than the nobodies who inspired them this is brian turner s view of the world the landscape and people he was surrounded by the principles he was taught his sporting achievements the early development of his brothers his time moving between jobs as distinct as rabbiting in central otago and working in customs and his entry into the world of books
