the bestselling autobiography of the legendary louis zamperini hero of the blockbuster

unbroken a modern classic by an american legend devil at my heels is the riveting and deeply personal memoir by u s olympian world war ii bombardier and pow survivor louis zamperini his inspiring story of courage resilience and faith has captivated readers and audiences of unbroken now a major motion picture directed by angelina jolie in devil at my heels his official autobiography co written with longtime collaborator david rensin zamperini shares his own first hand account of extraordinary journey hailed as one of the most incredible american lives of the past century people a youthful troublemaker a world class ncaa miler a 1936 olympian a wwii bombardier louis zamperini had a fuller life than most but on may 27 1943 it all changed in an instant when his b 24 crashed into the pacific ocean leaving louis and two other survivors drifting on a raft for forty seven days and two thousand miles waiting in vain to be rescued and the worst was yet to come when they finally reached land only to be captured by the japanese louis spent the next two years as a prisoner of war tortured and humiliated routinely beaten starved and forced into slave labor while the army air corps declared him dead and sent official condolences to his family on his return home memories of the war haunted him nearly destroyed his marriage until a spiritual rebirth transformed him and led him to dedicate the rest of his long and happy life to helping at risk youth told in zamperini s own voice devil at my heels is an unforgettable memoir from one of the greatest of the greatest generation a living document about the brutality of war the tenacity of the human spirit and the power of faith

from celebrated pulitzer prize winning author harper lee her bestselling novels to kill a mockingbird and go set a watchman available together in this convenient e book bundle set in the small town of maycomb alabama and featuring characters that have become indelible in american culture harper lee s beloved classic of southern literature to kill a mockingbird and its follow up go set a watchman offer a haunting portrait of race and class innocence and injustice hypocrisy and heroism tradition and transformation in the deep south of the 1930s and 1950s that resonates today enduring in vision harper lee s timeless novels illuminate the complexities of human nature and

the depths of the human heart with humor unwavering honesty and a tender nostalgic beauty and will be celebrated by generations to come

the emmy award winning broadcaster shares a new york times bestselling unvarnished personal account of her husband s battle with alzheimer s disease when meryl comer s husband dr harvey gralnick chief of hematology and oncology at the national institutes of health began forgetting routine things and demonstrating abrupt changes in behavior doctors were confounded as to what was going wrong diagnoses ranged from stress and depression to lyme disease from pernicious anemia to mad cow s disease supposedly acquired from a trip to london finally after years of inconclusive tests he was diagnosed with alzheimer s a seemingly impossible disease for a man in his prime comer gave up her television career and for the next two decades cared for harvey in their home tending to his every need while watching him regress into an emotionally distant and sometimes violent stranger the man i live with is not the man i fell in love with and married she writes he has slowly been robbed of what we all take for granted the ability to navigate the mundane activities of daily living bathing shaving dressing feeding and using the bathroom his inner clock is confused and can t be reset his eyes are vacant and unaware in slow dancing with a stranger comer brings readers face to face with alzheimer s detailing the realities its stressful emotional and financial hardships for families as well as the limitations of doctors and assisted living and long term care facilities to manage difficult patient behaviors with candor and grace comer chronicles her personal experiences her mistakes her heartbreaks her minor victories to paint an intimate and moving portrait of alzheimer s and in the process she reveals the truth about the disease and everyone it affects riveting and necessary the new york times a poignant love story with a powerful message kirkus reviews read and recommend this book as a call to action as haunting and urgent as rachel carson s silent spring gaily sheehy author of passages in caregiving and daring my passages

michael irwin s the skull and the nightingale is a chilling and deliciously dark literary

novel of manipulation and sex intrigue and seduction set in 18th century england when richard fenwick returns to london his wealthy godfather james gilbert has an unexpected proposition gilbert has led a sedate life in worcestershire but feels the urge to experience even vicariously the extremes of human feeling love passion and something much more sinister it becomes apparent that gilbert desires news filled with tales of carousing flirtation excess and london s more salacious side but gilbert s elaborate and manipulative experiments into the workings of human behavior soon drag richard into a faustian vortex of betrayal and danger where lives are ruined and tragedy is only a step away with echoes of dangerous liaisons michael irwin s the skull and the nightingale is an urgent period drama that seduces the senses

in this literary debut a young girl tells of her traumatic life via a mexican card game in a heart wrenching tale of violence love and a broken family los angeles times with her older sister estrella in the icu and her father in jail eleven year old luz castillo has been taken into the custody of the state alone in her room she retreats behind a wall of silence writing in her journal and shuffling through her beloved deck of lotería cards a latin american game of chance each of the cards colorful images mermaids bottles spiders death and stars sparks a random memory pieced together these snapshots bring into focus the joy and pain of the young girl s life and the events that led to her present situation but just as the story becomes clear a breathtaking twist changes everything by turns affecting and inspiring lotería is a powerful novel that reminds us of the importance of remembering even when we are trying to forget beautiful images of lotería cards are featured throughout this intricate and haunting novel a taut fraught look at tragedy its aftermath and the stories we tell ourselves to survive justin torres national book award winning author of blackouts sheer genius booklist starred review loteria captures from a wide eyed yet uncloying child s perspective the way in which life can feel a lot like a game of chance vogue like the novels of cortazar its form is intricate and beautiful charles baxter author of the feast of love an intriguing debut and an elegiac miniature entry in the literature of latin american diaspora that will break

the wmba all star shares the inspiring story of her singular life as an athlete and activist in this searing and ultimately liberating memoir new york times book review brittney griner is a once in a generation basketball player a two time olympic gold medalist and a six time wnba all star she has been hailed by sports illustrated as the sport s most transformative figure but she is equally famous for speaking out on a range of social issues as well as for surviving a wrongful detention in russia that became a geopolitical flashpoint now griner shares her coming of age story revealing how she found her

strength to overcome bullies and embrace her authentic self at 6'8" with an 88 inch wingspan and a size 17 shoe. She, the Phoenix Mercury star, has heard every vicious insult in the book enduring years of taunting that began in middle school and continues to this day. Through the highs and lows Griner has learned to remain true to herself rising above the haters trying to take her down. In her heartfelt memoir she reflects on painful episodes in her life and describes how she came to celebrate what makes her unique. Inspiring lessons she now shares filled with all the humor and personality Griner has become known for. *In My Skin* is more than a glimpse into one of the most original personalities in sports. It's also a powerful call to readers to be true to themselves, to love who they are on the inside and out. With eight pages of photos.

In fluent prose, makes a gripping and persuasive case that it was the Levites who escaped Egypt and carried the story of the Exodus into Canaan. The New York Times book review: "The Exodus has become a core tradition of Western civilization. Millions read it, retell it, and celebrate it, but did it happen? Unable to find physical evidence until now, many archaeologists and scholars claim this mass migration is just a story, not history. Pioneering Bible scholar and bestselling author of *Who Wrote the Bible?* Richard Elliott Friedman cuts through the noise, the serious studies, and the wild theories, merging new findings with new insight from a spectrum of disciplines. State-of-the-art archaeological breakthroughs and fresh discoveries within Scripture he brings real evidence of a historical basis for the Exodus. The history behind the story: the biblical account of millions fleeing Egypt may be an exaggeration, but the Exodus itself is not a myth. Known for his ability to make Bible scholarship accessible to readers, Friedman proceeds to reveal how much is at stake when we explore the historicity of the Exodus. We learn that it became the starting point of the formation of monotheism, the defining concept of Judaism, Christianity, and Islam. Moreover, we learn that it precipitated the foundational ethic of loving one's neighbors, including strangers as oneself. He concludes the actual Exodus was the cradle of global values of compassion and equal rights. Today, sensational and profound, an eye-opening study of perhaps the single most

consequential event in the biblical narrative and one of the touchstones of both jewish and zionist aspiration jewish journal

confidently diagnose and treat common pregnancy complications with this unique algorithmic approach maternal medicine is point of care reference designed to help you effectively treat conditions that often coexist with pregnancy focusing primarily on diagnosis and management with the goal of limiting complications early the chapters focus on specific conditions rather than organ systems this practical guide is designed to impart important relevant information that enables you to deliver patient care based on recommendations provided by experts in each field and grounded in the latest clinical evidence when available the authors have carefully selected topics that reflect conditions most often encountered in clinical practice coverage of each topic includes antepartum intra partum and post partum management enabling you to deliver complete uninterrupted patient care you will find all the data you need in one convenient reference including tables tips medication dosages contraindications lab values diagnostic criteria management algorithms and levels of evidence luis d pacheco md is associate professor departments of obstetrics and gynecology and anesthesiology divisions of maternal fetal medicine and surgical critical care director of project obstetrical patient safety and director of residency education program in surgical intensive care unit university of texas medical branch galveston texas george r saade md is jennie sealy smith distinguished chair professor of obgyn and cell biology chief of obstetrics and maternal fetal medicine and director of perinatal research division university of texas medical branch galveston texas gary d v hankins md is professor and chairman garland d anderson md distinguished university chair in maternal fetal medicine university of texas medical branch galveston texas

the much anticipated follow up to contagious culture shows aspiring leaders how to embody the qualities they wish to cultivate in their organizations in contagious culture anese cavanaugh proved that it s possible to create an energized and engaged

organizational culture that spreads from person to person now in contagious you she hones in on the individual showing us how each of us is contagious in our own way and stressing the importance of leading with intention to achieve positive results for anyone who's sought to create change or felt sucked into the drama and chaos of a toxic work environment this book will advance the notion that everyone at an organization is a leader for good or for bad and that leaders have tremendous power to influence those who follow their example the quality of our leadership is based upon our intentions energy and presence by emphasizing authorship self care and response ability not responsibility as leadership skills and therefore cultural amplifiers contagious you shows you how to walk the path of more effective leadership while navigating the road blocks in your way whether these road blocks are working with negative co workers with secret agendas and unrealistic expectations or just the general busyness of life and its excessive demands this book will take you on a journey to create more space more courageous leadership and stronger collaboration to influence others and create the impact you desire the common denominator is you no matter what level you're on your intentions energy and presence impact your ability to do anything within your life contagious you is an invitation to unlock your own power you set the tone you are the culture so show up lead and intentionally become the change you wish to see
