from the 1 bestselling author of the bomber mafia the landmark book that has revolutionized the way we understand leadership and decision making in his breakthrough bestseller the tipping point malcolm gladwell redefined how we understand the world around us now in blink he revolutionizes the way we understand the world within blink is a book about how we think without thinking about choices that seem to be made in an instant in the blink of an eye that actually aren't as simple as they seem why are some people brilliant decision makers while others are consistently inept why do some people follow their instincts and win while others end up stumbling into error how do our brains really work in the office in the classroom in the kitchen and in the bedroom and why are the best decisions often those that are impossible to explain to others in blink we meet the psychologist who has learned to predict whether a marriage will last based on a few minutes of observing a couple the tennis coach who knows when a player will double fault before the racket even makes contact with the ball the antiquities experts who recognize a fake at a glance here too are great failures of blink the election of warren harding new coke and the shooting of amadou diallo by police blink reveals that great decision makers aren't those who process the most information or spend the most time deliberating but those who have perfected the art of thin slicing filtering the very few factors that matter from an overwhelming number of variables

delve into this delightful bloomberg news collection of malcolm gladwell's writings from the new yorker in which the bestselling author of the bomber mafia focuses on minor geniuses and idiosyncratic behavior to illuminate the ways all of us organize experience what is the difference between choking and panicking why are there dozens of varieties of mustard but only one variety of ketchup what do football players teach us about how to hire teachers what does hair dye tell us about the history of the 20th century in the past decade malcolm gladwell has written three books that have radically changed how we understand our world and ourselves the tipping point blink and outliers now in what the dog saw he brings together for the first time the best of his writing from the new yorker over the same period here is the bittersweet tale of the inventor of the birth control pill and the dazzling inventions of the pasta sauce pioneer howard moscowitz gladwell sits with ron popeil the king of the american kitchen as he sells rotisserie ovens and divines the secrets of cesar millan the dog whisperer who can calm savage animals with the touch of his hand he explores intelligence tests and ethnic profiling and hindsight bias and why it was that everyone in silicon valley once tripped over themselves to hire the same college graduate good writing gladwell says in his preface does not

succeed or fail on the strength of its ability to persuade it succeeds or fails on the strength of its ability to engage you to make you think to give you a glimpse into someone else's head what the dog saw is yet another example of the buoyant spirit and unflagging curiosity that have made malcolm gladwell our most brilliant investigator of the hidden extraordinary

today's professionals recognize the need to elevate written communication beyond argument driven pedantry political polemic and obtuse pontification whether the goal is to write the next serious work of best selling nonfiction to develop a platform as a public scholar or simply to craft clear and concise workplace communication the art of public writing demystifies the process showing why it's not just nice but necessary to connect with those inside and outside one's area of expertise drawing on a diverse set of examples ranging from charles darwin's on the origin of species to steven levitt's *freakonomics* zachary michael jack offers invaluable advice for researchers scholars and working professionals determined to help interpret field specific debates for wider audiences address complex issues in the public sphere and successfully engage audiences beyond the corner office and the ivory tower

in the past decade malcolm gladwell has written three books that have radically changed how we understand our world and ourselves the tipping point blink and outliers regarded by many as the most gifted and influential author and journalist in america today gladwell's rare ability to connect with audiences of such varied interests has ensured that each title become a phenomenal bestseller with more than ten million copies in print combined now gladwell's landmark investigations into the world around us are collected together for the first time beautifully repackaged and redesigned including for the first time illustrations throughout each book malcolm gladwell collected is a perfect treasury of prose and provocation for gladwell fans old and new

take and read is a collection of essays first presented as oral theological reflections on books written to stimulate conversations among diverse groups of readers which included farmers physicians teachers poets novelists scientists people involved in business finance relief work and many other walks of life ranging in age from twenty something to eighty these reflections introduce and offer samples of theological readings of a variety of books the result is a collection of essays addressing a wide range of topics from food security to violence from dementia to indigenous issues perhaps this book is best described as an invitation to joining a conversation about books and more importantly about god

in the hebrew bible and stories loyal to it goliath is the stereotypical giant of folklore big brash violent and dimwitted goliath as gentle giant sets out to rehabilitate the giant's image by exploring the origins of the biblical behemoth the limitations of the underdog metaphor and the few sympathetic treatments of goliath in popular media what insights emerge when we imagine things from goliath's point of view how might this affect our reading of the biblical account or its many retellings and interpretations what sort of man was goliath really the nuanced portraits analyzed in this book serve as a catalyst to challenge readers to question stereotypes reexamine old assumptions and humanize the other

the international bestseller compelling haunting tragic stories resonate long after you put the book down james mcconnachie sunday times book of the year the routine traffic stop that ends in tragedy the spy who spends years undetected at the highest levels of the pentagon the false conviction of amanda knox why do we so often get other people wrong why is it so hard to detect a lie read a face or judge a stranger's motives using stories of deceit and fatal errors to cast doubt on our strategies for dealing with the unknown malcolm gladwell takes us on an intellectual adventure into the darker side of human nature where strangers are never simple and misreading them can have disastrous consequences

a wonderful page turner about a fascinating idea that should affect the way every thinking person thinks about the world around him michael lewis in this brilliant and original book malcolm gladwell explains and analyses the tipping point that magic moment when ideas trends and social behaviour cross a threshold tip and spread like wildfire taking a look behind the surface of many familiar occurrences in our everyday world gladwell explains the fascinating social dynamics that cause rapid change hip and hopeful the tipping

point is like the idea it describes concise elegant but packed with social power a book for anyone who cares about how society works and how we can make it better george stephanopoulos

malcom gladwell's bestselling books have engaged entertained and inspired millions of readers transforming the way they see the world and covering a wide range of modern day issues from success to relationships and the complexities of our minds this newly designed box set gathers four of his best selling books offering readers a captivating selection of his innovative and outstanding thinking

twenty five years after the publication of his groundbreaking first book malcolm gladwell returns with a brand new volume that reframes the lessons of the tipping point in a startling and revealing light addictive fascinating and provocative guardian malcolm gladwell explores the watershed moments that define this new age of societal upheaval with curiosity and humor time magazine gladwell is a great storyteller with a contagious sense of curiosity the economist the match that so elegantly graced the cover of the tipping point is now on fire wall street journal why in the late 1980s and early 90s did los angeles become the bank robbery capital of the world what is the magic third and what does it have to do with racial equity what do big cats and clusters of teen suicide have in common these are just some of the questions malcolm gladwell addresses in this new work which revisits the phenomenon of epidemics and examines the ways in which we have learned to tinker with and manipulate the spread of ideas viruses and trends sometimes with great success sometimes with disastrous consequences gladwell shows that whether in neighbourhoods schools zoos or conference rooms today's epidemics are no longer singular occurrences but turbocharged versions of their earlier counterparts tipping points he explains play a much bigger role in our lives now than ever before with this provocative and fascinating new book we can meet them in novel and innovative ways

malcolm gladwell bestselling author of blink and the bomber mafia and host of the podcast revisionist history explores what sets high achievers apart from bill gates to the beatles in this seminal work from a singular talent new york times book review in this stunning book malcolm gladwell takes us on an intellectual journey through the world of outliers the best and the brightest the most famous and the most successful he asks the question what makes high achievers different his answer is that we pay too much attention to what successful people are like and too little attention to where they are from that is their culture their family their generation and the idiosyncratic experiences of their upbringing along the way he explains the secrets of software billionaires what it takes to be a great soccer player why asians are good at math and what made the beatles the greatest rock band brilliant and entertaining outliers is a landmark work that will simultaneously delight and illuminate

in this book malcolm gladwell explains and analyses the tipping point that magic moment when ideas trends and social behaviour cross a threshold tip and spread like wildfire
