imprisonment has become big business in the united states using a history of ideas approach this book examines the cultural underpinnings of prisons in the united states and explores how shared ideas about imprisonment evolve into a complex loosely connected nationwide system of prisons that keeps enough persons to populate a small nation behind bars razor wire and electrified fences tracing both the history of the prison and the very idea of imprisonment in the united states this book provides students with a critical overview of american prisons and considers their past their present and directions for the future topics covered include a history of imprisonment in america from 1600 to the present day the twentieth century prison building binge the relationship between u s prisons and the private sector a critical account of capital punishment less visible prison minorities including women children and the elderly and sex violence and disease in prison this comprehensive book is essential reading for advanced courses on corrections and correctional management and offers a compelling and provocative analysis of the realities of american

penal culture from past to present it is perfect reading for students of criminal justice corrections penology and the sociology of punishment

roscoe pound believed that unless the criminal justice system maintains stability while adapting to change it will either fossilize or be subject to the whims of public opinion in criminal justice in america pound recognizes the dangers law faces when it does not keep pace with societal change when the home neighborhood and religion are no longer capable of social control increased conflicts arise laws proliferate and new menaces wrought by technology drugs and juvenile delinquency flourish where pound saw the influence of the motion pictures as part of the multiplication of the agencies of menace today we might cite television and the internet his point still holds true the old machinery cannot meet the evolving needs of society in criminal justice in america pound points out that one aspect of the criminal justice problem is a rigid mechanical approach that resists change the other dimension of the problem is that change when it comes will result from the pressure of public opinion justice suffers when the public is moved by the oldest of public feelings vengeance this can result in citizens taking the law into their own hands© from tax evasion to mob lynchings© as well as in altering the judicial system© from sensationalizing trials to producing wrongful convictions ron christenson in his new introduction discusses the evolution of roscoe pound s career and thought pound s theories on jurisprudence were remarkably prescient they continue to gain resonance as crimes become more and more sensationalized by the media criminal justice in america is a fascinating study that should be read by legal scholars and professionals sociologists political theorists and philosophers

preserving a life of peace and dignity for the aging this ground breaking volume offers a new collaborative approach geared to enhance case review improve victim safety raise abuser accountability and promote system change sharing the common goal of promoting elder victim safety experts in adult protective services law enforcement prosecution health care advocacy and civil justice have formed a unique multidisciplinary team approach to tackle the following critical topics establishing a collaborative description of elder abuse history identifying the criteria for the reporting of cases accessing the intervention systems involved highlighting benefits and obstacles to success reviewing policy legislation research and social change as the aging population continues to grow so does the potential for increasing cases of elder abuse replete with case examples that allow the experiences of victims to speak for themselves this book provides the framework to begin and to build on collaborative approaches at the local state and national levels toward ending elder abuse

finally an alternative critical approach to introductory criminal justice criminal justice in america a critical view paves the way for discussions on controversial issues of racial and economic inequities found in our criminal justice system this text helps students understand the perspective of the typical subjects of the criminal justice system the poor the minorities women and the young all of whom comprise the majority of both victims and victimizers in the words of one reviewer nowhere have i read an introductory text that simply tells it like it is a text of this kind is long overdue another reviewer describes criminal justice in america a critical view as a well written introductory criminal justice text that clearly delineates itself from the other leading texts most important the critical perspective taken by the authors is an excellent depiction of crime and justice in america
