authors jimmy scroggins and steve wright outline a reproducible method of sharing the gospel that has been tested in the real world turning everyday conversations into gospel conversations is a simple strategy to train new and seasoned believers to join god in his reconciliation work turning everyday conversations into gospel conversations equips believers to use the innovative 3 circles a user friendly evangelistic tool for a new generation scroggins and wright train readers to incorporate the biblical metanarrative as well as our own personal stories to tell the good news that jesus has made a way out of the broken places we find ourselves

the practical art of spiritual conversation is about the art of when if and how to engage in a spiritual conversation the whens and the ifs inform the how christians can be so concerned with how to share the gospel that they often fail to consider where the person is spiritually and when or even if they should share the gospel to be sure the scriptures are clear that followers of christ must spread the good news yet there are times when sharing the gospel would be undeniably inappropriate how then do gospel centered evangelistic christians discern when to share christ or when to stay silent what determines when and if someone is even ready to hear the gospel how does one meaningfully engage a person who has already accepted the gospel refined through tens of thousands of spiritual encounters this book provides a helpful framework for discerning where a person is spiritually and how to encourage each person to take a step toward christ regardless of where they may presently be in their faith journey you will be equipped in the practical art of spiritual conversation so that you can meaningfully encourage every person to take a step toward christ

leading voices from across christian traditions discuss the mission of the church what is the mission of the church every seminarian and church leader must wrestle with that question no matter what designation a church uses to describe itself it must also think critically about why it exists and what it should be doing in this book five leading voices representing a range of christian traditions

engage in an enlightening conversation as they present and compare their perspectives on the mission of the church each contributor offers his or her view and responds to the other four views contributors include stephen b bevans darrell l guder ruth padilla deborst edward rommen and ed stetzer the book s format is ideal for classroom use and will also benefit pastors and church leaders

sex in a world overwhelmingly obsessed with it why is the church so silent about it while our secular culture twists perverts cheapens and idolizes sex there are gaping holes in the church s guidance of young people the result is generations of sexually illiterate people drowning in the repercussions of overwhelming sin struggles enough is enough says mo isom with raw vulnerability and a bold spirit she shares her own sexual testimony opening up the conversation about misguided rule following virginity temptation porn promiscuity false sex pectations sex in marriage and more and calling readers back to god s original design for sex a way to worship and glorify him this book is for the young person tangled up in an addiction to pornography for the girlfriend feeling pressured to go further for the good girl who followed the rules and saved herself for marriage and then was confused and disappointed for the married couple who use sex as a bargaining tool for every person who casually watches sex play out in tv and movies and wonders why they re dissatisfied with the real thing and for every confused or hurting person in between sex was god s idea it s time we invited him back into the bedroom

church dialogues including official reports and debates within the general synod operate under the premise that canonical authority can shape a viable theology and coherent ecclesiastical and liturgical practices in a groundbreaking departure from conventional methodologies queering the church offers a rigorous examination of the hermeneutical frameworks that inform discussions on homosexuality within ecclesiastical governance drawing inspiration from halberstam s concept of the queer art of failure doe advocates for a fundamental shift a move away from entrenched institutionalized debates toward a more inclusive deconstructive discourse rather than perpetuating cycles of authoritative rhetoric doe proposes a transformative realignment one that challenges traditional power dynamics and fosters a more equitable theological dialogue provocative and timely this book promises to illuminate

new avenues toward a nuanced comprehension of church discourse

a short study of erastianism in the church of england covering the period from the norman conquest to the present day

brand new church aims to make sense of what postmodern actually looks and feels like in real life and to ask what this means for the church over the past few years graeme fancourt has travelled around the uk and usa consulting with a wide range of church leaders including sue wallace who founded visions and transcendence jonny baker a member of grace and roy searle of the northumbria community he writes the church that i have encountered is thoughtful active and confident in the gospel though holding many different views these leaders all appear to take seriously the need for the church genuinely to engage positively or negatively with what it perceives to be the postmodern condition the author reveals and explores the diversity of thinking found in local churches in colleges and universities and expressed in works of contemporary theology the approaches of a range of writers such as d a carson peter rollins pete ward tom wright and stanley hauerwas are examined to stimulating effect the result is a thoroughly vibrant read which offers a broad understanding of how in these postmodern times the church might engage fruitfully in dialogue and mission for the sake of all god s people

trieste publishing has a massive catalogue of classic book titles our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time the many thousands of books in our collection have been sourced from libraries and private collections around the world the titles that trieste publishing has chosen to be part of the collection have been scanned to simulate the original our readers see the books the same way that their first readers did decades or a hundred or more years ago books from that period are often spoiled by imperfections that did not exist in the original imperfections could be in the form of blurred text photographs or missing pages it is highly unlikely that this would occur with one of our books our extensive quality control ensures that the readers of trieste publishing s books will be delighted with their purchase our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest

quality this process ensures that the reader of one of trieste publishing's titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work we pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers generally trieste books are purchased singly on demand however they may also be purchased in bulk readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates

a sequel to his best selling transforming congregational culture 2003 changing the conversation offers anthony robinson's latest work and thinking on congregational renewal and leadership robinson here invites church leaders and members into ten crucial conversations that will change their congregation's culture and help them respond with greater vitality effectiveness and faithfulness to our postmodern culture and its challenges

online churches are internet based christian communities pursuing worship discussion friendship support proselytization and other key religious goals through computer mediated communication hundreds of thousands of people are now involved with online congregations generating new kinds of ritual leadership and community and new networks of global influence creating church online constructs a rich ethnographic account of the diverse cultures of online churches from virtual worlds to video streams this book also outlines the history of online churchgoing from its origins in the 1980s to the present day and traces the major themes of academic and christian debate around this topic applying some of the leading current theories in the study of religion media and culture to this data tim hutchings proposes a new model of religious design in contexts of mediatization and draws attention to digital networks transformative third spaces and terrains of existential vulnerability creating church online advances our understanding of the significance and impact of digital media in the religious and social lives of its users in search of new theoretical frameworks for digital religion

conversations about racism are as important as they are hard for american christians yet the conversation often gets so ugly even

among the faithful who claim unity in Jesus why is that the case why does it matter can things get better or are we permanently divided in this honest and hopeful book pastor Isaac Adams doesn't just show you how to have the race conversation he begins it for you by offering a fictional racially charged tragedy in order to understand varying perspectives and responses he examines what is at stake if we ignore this conversation and why there's just as much at stake in how we have that discussion especially across color lines that is with people of another ethnicity this unique approach offers insight into how to listen to one another well and seek unity in Christ looking to God's word Christians can find wisdom to speak gracefully and truthfully about racism for the glory of God the good of their neighbors and the building up of the church some feel that the time for talking is over and that we've heard all this before but given how polarized American society is becoming its churches not exempt fresh attention on the dysfunctional communication between ethnicities is more than warranted Adams offers an invitation to faithfully combat the racism so many of us say we hate and maintain the unity so many of us say we want together we can learn to speak in such a way that we show a divided world a different world talking about race points to the starting line not the finish line when it comes to following Jesus amid race relations it's high time to begin running

this volume explores how Catholicism began and continues to open its doors to the wider world and to other confessions in embracing ecumenism thanks to the vision and legacy of the Second Vatican Council it explores such themes as the twentieth century context preceding the council parallels between Vatican II and previous councils its distinctively pastoral character the legacy of the council in relation to issues such as church world dynamics as well as to ethics social justice economic activity several chapters discuss the role of women in the church before during and since the council others discern inculturation in relation to Vatican II the book also contains a wide and original range of ecumenical considerations of the council including by and in relation to free church reformed orthodox and Anglican perspectives finally it considers the council's ongoing promise and remaining challenges with regard to ecumenical issues including a groundbreaking essay on the future of ecumenical dialogue by Cardinal Walter Kasper

this book challenges readers to push the boundaries of how they communicate the gospel to not just join the worldwide

conversation but to lead it
