from unicorns on the moon to ufos piloted by martian bees this book chronicles some of the strangest ideas that have been put forward and have actually been believed in about our universe drawn from tales dating from the middle ages to the present this collection of stories takes readers on an imaginative and wild ride through the ages and minds of some of the wackiest tackiest most outlandish concepts in astronomy cosmology and physics follow along as geoff kirby recounts each quirky idea in detail and explains how these theories fare against modern astronomical research and technologies

never has there been anything quite like it dr daniel fry an engineer in charge of the installation of instruments for missile control and guidance at white sands proving ground near las cruces new mexico was whisked away on an 8 000 mile flying saucer ride from white sands to new york city and back thus begins his instruction by the illustrious venusian thinker commander valiant thor who wanted everyone on earth to understand the truth about our existence and how we can spiritually profit from the beneficence of extraterrestrial contact this special reprint from gray barker s new saucerian catalog features an introduction by valiant thor and afterword by thor s second in command capt indrid cold and an epilogue by barker

when the noted thinker author and philanthropist commander valiant thor dictated this book over a half century ago in earth years he was just settling into his role as commander of the venusian forces on our planet he had actually put in many decades on earth prior to that although he was not as they say truly in charge being a relative novice at that time thor decided to stick to traditional protocol and studiously avoided mentioning the word vril in these pages it had been decided long before that by certain venusian elders to keep that particular word and its conceptual underpinnings secret from earthlings at least until the appropriate time although it obviously wasn't the appropriate time the term and the belief system behind it were revealed to certain nosy germans who had gotten heavily into the occult during world war ii these nazi necromancers had somehow hacked into the ongoing telemetric stream between earth and venus and illegally downloaded much of the information about vril the civilized world has been trying to regain its balance ever since as a result the author herein states unequivocally and for the record that vril has nothing to do with nazism fascism racism hate or bigotry like most venusians thor follows the teachings of jesus christ tecumseh krishna and buddha which generally state that all men are created equal in god's sight and are loved equally by god today in 2018 most everyone has heard about vril so thor has no trouble stating that this book edited for him by his brilliant human acolyte hilton hotema is about one of the key aspects of vril rejuvenating and extending the lives of human beings there are many correlations in this area between venusians and earthlings vril is truly the essence of the active verb the powerful sentence and the narrative that moves people to action it is the energy behind the words which makes the mind react in a positive and uplifting fashion as the buddhists say our words are actions and should be approached soberly cautiously compassionately and empathetically vril is about living life to the fullest and loving to the fullest in these current days of extreme political divide where lying and deception are being spread from on high much like the nazis and kkk of old we need vril more than ever to counteract the antichrist evil that seems to be sweeping the world under the false guise of making america great again those of you who understand vril should have no problem understanding what thor is saying may these words and

the positive galaxial inspiration behind them guide and comfort you as you go about your daily business in our dynamic infinite and loving universe

in steps to the stars the quantum physics of valiant thor dan fry a nuclear scientist at los alamos national laboratory and one of the first ufo contactees discusses the advanced physics concepts passed on to him from the enlightened thinker valiant thor also known as the stranger at the pentagon concerning the antigravity propulsion systems of flying saucers and other galaxial vehicles this rare special edition features a foreword by valiant thor and an epilogue by the publisher gray barker

elena danaan s new book we will never let you down casts much needed light on the diplomatic negotiations between president dwight eisenhower and valiant thor an ambassador of the galactic federation of worlds from 1958 to 1961 now we finally have a fresh new perspective directly from valiant thor himself of the unsuccessful negotiations that were conducted we learn about his warnings about negotiating with an alliance of alien predator races eisenhower s betrayal by mj 12 in signing secret agreements with this exploitative alliance and how the galactic federation has ever since been mitigating the effects of these nefarious agreements through numerous covert actions to raise human consciousness and spark a planetary awakening a must read for all wanting to prepare for the momentous global changes that lie ahead michael salla ph d rescued as a child by extraterrestrials elena danaan kept contact with them all her life and wrote her story in the bestseller a gift from the stars we will never let you down follows up by depicting contacts the author had with commander val valiant thor and her journeys in this solar system written at the brink of a new era this book is a testimony of the presence and dedication of benevolent extraterrestrials protecting earth this book includes also precious messages from commander thor han eredyon from the galactic federation of worlds revelations about val thor s sojourn in the pentagon his relation with dwight eisenhower his stay in russia the political background involving secret treaties
