most of the information in this book came from angels and spiritual masters who are living in the greater world of spirit therefore i would like to thank all the angels and masters who came down to do their work for god in love and with love and all their helpers who helped me to fulfill an oath i made during an out of the body experience while standing at mountain zion in the presence of god i promised him that i would tell all the people the truth about him and his spiritual messengers the angels and other life in the spirit world all the angels and masters spoken to have nothing but love for god their fellows spirits all of mankind and the animal kingdom life as we know it continuo after death in a slightly different format and regardless of what we say or believe every one of us knows deep in our inner being that we came from the world of spirit and we knows deep inside ourselves that that world is real and that we must one day return to it regardless of what we say or believe we know within ourselves about the presence of god i have used most of these short stories as talks during church services because angels advised me what to write down and to use what they have shown me in the world of spirit as the talk therefore most of the information in this book is from spiritual beings they are the real authors of this book i am just an instrument used by them as a voice box in the wilderness of babel to explain some of the wonderful stories we read of in the bible in this way am i also complying with the vow i made to god

this remarkable work of anthropology breaks new ground in the study of latin american female shamanism

this book highlights the fact that leaders do indeed affect the performance of organizations or the well being of society for better or worse to cast either a shadow or light by the exercise of their leadership modern psychology with its theories of human behavior which does not acknowledge the existence of the spiritual realm cannot explain the carnage and evil often associated with the dark side of leadership this book focuses on the dark side of leadership in a multidimensional manner and provides a psychospiritual approach toward understanding personality disorders and leader derailment it highlights an area that has not been widely studied by leadership researchers to date the dynamic relationship between the psychological and spiritual domains in shaping the dark side which lead to leadership failure and derailment this book calls for a more interdisciplinary approach and holistic understanding of the dark side of leadership inseparably relating body soul and spirit as they function individually and relationally it highlights the fact that the restoration of personality will require sustained dialogue between theologians and the medical and psychological professions such a theoretical perspective would help us better understand how personality disorders develop not only

emotionally and psychologically but spiritually

challenges prevailing theories about social inequality

this book examines the implications of the victim's role in contemporary society emphasizing their role in the social control of criminals it provides an overview of developments in the concept of victim the lack of agreement among legal scholars social scientists and psychiatrists as to the nature of the victim and discusses the strong impetus of criminologists to narrow the definition of victim linking it to crime and criminals this linkage has given victims an ongoing place in the process of social control victims have a role in the trial and prosecution of offenders but as a particular kind of witness whose personal needs are subordinate to the needs of the criminal process the new availability of public programs for victims are discussed but in the context of how these programs have been designed as much as to control criminals as to meet the needs of victims
