nineteen sermons of the beloved rev m van beek see the light in this volume it was possible by the way of a tape recording to preserve these preached sermons and it is now possible to publish them after the death of the minister who preached them

you should therefore take into account that these sermons come to our attention more in a preaching style than in a written style yet this often makes the reading or the listening to these sermons more pleasant however this does not take away that these published sermons are very attractive as far as the history is concerned because it is remarkable that this history always fascinates the children and young people but yet it is not only the historical part of joseph s life that is brought to our attention in these sermons theses sermons also have a spiritual content the way in which the lord deals with his people is clearly brought to to out attention too joseph is also clearly pointed out to us as a type of christ in these sermons rev f mallan alblasterdam nl

the story of joseph in the old testament is one that has been dramatized many times by the entertainment industry both on screen and on broadway his story is the grand introduction to the history of israel as it relates to their bondage in egypt however his story also serves as an example to christians of god s faithfulness and our calling to fulfill god s purpose for us no matter what the circumstance this book covers the experiences of joseph s eventful life the dreams from god being sold to merchants the journey to egypt life as a slave in the prison his promotion by pharaoh and life as a leader following the biblical narrative carefully and with research into ancient egypt of the time i paint a picture of what joseph would have experienced everything included in this story has a foundation either from the bible itself or from historical texts the bible account is stirring on its own but here you will get more detail and new perspectives if you have always wanted to know what it would have been like for joseph in the context of that time in egypt then this book is for you
