the movie *Grace Unplugged* tells the story of Grace Trey, an ideal Christian teenager who is also a phenomenal singer but when she is pushed into the real world at the tender age of eighteen after getting the music break of a lifetime, her faith is put to the test. *Own It* mirrors the film by asking what it means to really own your personal faith rather than just automatically following in the footsteps of parents, friends, or other influencers. Best-selling authors Hayley and Michael Dimarco help readers understand what to do when faith meets real-world challenges. Without solid beliefs, poor choices are likely to follow. You must take the time to really know who you are, who you are becoming, and who God made you to be. It's your personal faith, own it.

Borrowed Faith is a biographical account of a 50-year pastor's journey to faith, a sometimes humorous but honest admission that sometimes we feel our faith is weak. In those moments, God has proven himself and strengthened the faith of this pastor and others through miracles and other memorable moments on the way to the pulpit.
