this series has been prepared to provide the essentials of english grammar with a minimum of technical terms to middle school students each book has numerous carefully planned exercises amusing anecdotes and short stories which are based on the indian milieu

this book was first published in 1954 a modern english grammar on historical principles is a

valuable contribution to the field of english language and linguistics

oxford modern english grammar is oxford s brand new and definitive guide to english grammar this book has been written by a leading expert in the field covers both british and american english and makes use of authentic spoken and written examples arranged in four clear parts for ease of use its comprehensive coverage ranges from the very basic to the most complex aspects of grammar all of which are explained clearly yet authoritatively this descriptive source of reference is invaluable for those with an interest in the english language undergraduate and postgraduate students and for anyone who would like a clear guide to english grammar and how it is used

this book was first published in 1954

this book is the seventh and last volume of that great work by otto jespersen the first volume of which was published in 1909 this volume looks at english syntax including subjects such as sentence structure word classes word order cases comparison and determination

excerpt from a modern english grammar this book is an attempt to present the grammar of modern english in the manner prescribed by modern methods of instruction the general treatment of the subject has been determined by two considerations the first is that when pupils begin the study of grammar they not only are able to understand the language of standard english literature but they are continually using sentences of their own with considerable fluency and accuracy the second is that though pupils have considerable skill in the use of language they have little knowledge of the nature of sentences and little insight into the fundamental relations of subject predicate complement and modifier about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

excerpt from a modern english grammar the editor has been careful to disturb in no way the admirable arrangement of mr buehler s modern english grammar to bring it into harmony with our matriculation requirements he has in a few places given additional information as in the treatment of the compound noun and of infinitives and participles and has made minor alterations where it

seemed advisable in writing the historical appendix he has been careful not to enter into too great detail but has rather sought in a suggestive way to interest the student in the great laws which determine the growth and decay of language yet the editor can affirm from his experience as an examiner for the province that while the historical account is free from burdensome detail it contains all that is essential for matriculation and for the advanced examinations in the department about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

revised and updated version 2023 recommended in iatefl voices the magazine of the international association for teachers of english as a foreign language andrew rossiter s a descriptive grammar of english by example should be included on your list of reference materials it reviews language as it is not only written but also spoken and will cater for learners from upper intermediate to advanced levels for the invested student this book is a huge step forward and having the english language laid out in such a user friendly approach is a welcome treat for non native teachers and learners reviewed in tesolanz bulletin new zealand all good useful stuff and made very user friendly with clear formatting and colour coding a useful compact grammar reference especially for those who want to improve their confidence in teaching grammar reviewed in efl magazine this is a useful reference book to have on hand when planning for and teaching grammar lessons the clarity of explanations and wealth of examples alongside helpful visual keys provide both new and experienced teachers with something easy to dip into regardless of the language level they are teaching reviewed in eltaf online bulletin germany this book is very extensive without being too deep or analytical the author seems to have a great understanding of many of the challenges that teachers and learners have and tries to combat these challenges to make the english language more accessible for all this is a compact pedagogical reference grammar of english for the 2020s thorough complete original clearly explained and accessible to all it covers in detail all the essential points of english grammar with abundant and carefully chosen examples and clear explanations avoiding the confusing jargon that is common to many books on english grammar approaching grammar as a semantic system rather than from the more technical morphosyntactic approach currently favoured in the world of linguistics this book not only takes the mystery out of english grammar but also answers questions that students and teachers ask providing

explanations that teachers can use and students can understand it pays particular attention to the tricky questions that often baffle speakers of other languages and even native speakers such as the use of articles and determiners or of conjunctions and connectors or when to use an s or an of for possession which past tense to use and other sometimes confusing points as a descriptive and pedagogical grammar it shows by example how english is used today and explains the principles or rules that define this usage descriptive grammar does not mean grammar without rules but grammar with rules that reflect widely accepted contemporary usage while these rules are largely based on the norms of written english they apply too to spoken english and this book points out significant differences where they exist a descriptive grammar of english is designed to cater specifically to the needs of teachers and students in the real life situations of school university home study or language classes crucially it sets out to demonstrate how simple the underlying rules of basic english grammar really are not to show how complicated they can be it provides clear explanations of the many aspects of english grammar that native speakers seem to master intuitively but are at a loss to explain how is it that native speakers seem to know by intuition how to put adjectives in the right order what s the difference between couldn t have and wasn t able to and so on coherently organised and with a detailed table of contents it is a very useful handbook for teachers and students from b1 level

Recognizing the mannerism ways to acquire this book **Oxford Modern English Grammar Hardcover** is additionally useful. You have remained in right site to begin getting this info. acquire the Oxford Modern English Grammar Hardcover member that we meet the expense of here and check out the link.
