delle mura semplici dei bastioni dal colore così grigio che in realtà nessuno si batterebbe con rigore con rabbia per difendere questa cosa e io ho scelto invece proprio di difendere questo in questo breve estratto del documentario rai pasolini e la forma della città trasmesso all'inizio del 1974 il poeta di casarsa sembra voler indicare i presupposti fondamentali della ricerca che il comune di viterbo nel gennaio del 2016 ha affidato al dipartimento di architettura e progetto della sapienza sotto la direzione scientifica di orazio carpenzano il masterplan per il centro storico di viterbo non è solo un documento che individua criteri e strumenti di natura procedurale e tecnica per la riqualificazione valorizzazione e tutela della città intra moenia È anche e soprattutto il tentativo di ricostruire insieme agli abitanti di viterbo un percorso culturale che si è notevolmente

ridotto a partire dalla metà degli anni 70 la ricerca intrapresa dal diap trascende i confini della pianificazione tradizionale e si pone come un modello culturale che misura i problemi urbani con le forme e le figure dell architettura e cerca di rinnovare attraverso una pluralità di saperi e di strumenti di lettura il senso del vivere quotidiano nella città storica. L intento è quello di dare una prospettiva concreta a una città che forse non guarda più al futuro con la consapevolezza del suo importante passato e per questo rischia di subire gli inganni di un presente povero di idee povero di cultura povero di architettura
