most optometrists don't perform medical eye services certainly not exclusively you can develop a successful practice while providing a much needed service by bucking this trend Jeffrey Sedgewick O.D. M.D. spent 4 years as a practicing optometrist prior to entering medical school while practicing as an optometrist and as an ophthalmologist he has seen many examples of poor medical care by optometrists himself included he is convinced that it doesn't have to be this way he believes optometrists who start their own medical optometry practice can fill an increasingly important function but they need more knowledge and clinical experience which he seeks to provide in this textbook in his web site theodmdconsultinggroup.com in future courses and as a consultant to your medical optometry practice
