a chant sung over the entranced bodies of the mystai or neophytes who after passing through the trial of their last initiation were made epoptai

the hermetic order of the golden dawn has been considered one of the most important western magical systems for over a century although much of their knowledge has been published to really enter the system required initiation within a golden dawn temple until now regardless of your magical knowledge or background you can learn and live the golden dawn tradition with the first practical guide to golden dawn initiation self initiation into the golden dawn tradition by chic and sandra tabatha cicero offers self paced instruction by two senior adepts of this magical order for the first time the esoteric rituals of the golden dawn are clearly laid out in step by step guidance that s clear and easy to follow studying the knowledge lectures practicing daily rituals doing meditations and taking self graded exams will enhance your learning initiation rituals have been correctly reinterpreted so you can perform them yourself upon completion of this workbook you can truly say that you are practicing the golden dawn tradition with an in depth knowledge of qabalah astrology tarot geomancy spiritual alchemy and more all of which you will learn from self initiation into the golden dawn tradition no need for group membership instructions are free of jargon and complex language lessons don t require familiarity with magical traditions grade rituals from neophyte to portal link with your higher self if you have ever wondered what it would be like to learn the golden dawn system self initiation into the golden dawn tradition explains it all the lessons follow a structured plan adding more and more information with each section of the book did you really learn the material find out by using the written tests and checking them with the included answers here is a chance to find out if the golden dawn system is the right path for you or to add any part of their wisdom and techniques to the system you follow start with this book now

ethnocentrism is one of the greatest obstacles to peace on the african continent taking the church as family of god as a model of evangelization this work explores means of inculturating the gospel message in african cultures in order to transform them make them blossom and enable africans to live as authentic christians in their cultures it examines the values of african extended families and the prospects of interreligious dialogue as means through which the various religious bodies can effectively work together to overcome ethnocentrism and its evil effects and thus establish a wholesome african society where every human person is at home irrespective of family orientation or tribal background

the ancient wisdom is a body of pure knowledge of god and creation that has existed for millenniums it has been in existence since time began long before the appearance of any of today's major religions although ancient in source it has a philosophical integrity that is as relevant in today's life as it has been in every previous period of time no irreconcilable leaps of faith are required no mysteries all is knowable the wisdom contained herein is that which has always been previously communicated to interested spiritual aspirants who sought it out this book continues that tradition

a guide to worldwide shamanism and shamanistic practices emphasizing historical and current cultural adaptations this two volume reference is the first international survey of shamanistic beliefs from prehistory to the present day in nearly 200 detailed readable entries leading ethnographers psychologists archaeologists historians and scholars of religion and folk literature explain the general principles of shamanism as well as the details of widely varied practices what is it like to be a shaman entries describe region by region the traits such as sicknesses and dreams that mark a person as a shaman as well as the training undertaken by initiates they detail the costumes music rituals artifacts and drugs that shamans use to achieve altered states of consciousness communicate with spirits travel in the spirit world and retrieve souls unlike most western books on shamanism which focus narrowly on the individual's experience of healing and trance shamanism also examines the function of shamanism in society from social political and historical perspectives and identifies the ancient continuous thread that connects shamanistic beliefs and rituals across cultures and millennia

in this substantial book Gell guides the reader systematically through an analysis of the social structure language and ritual of the Umedia Punda Connubium of the West Sepik district one of the central areas explored is the Ika fertility ritual and the decipherment and the unravelling of symbolic relationships between words of similar construction one side is the analysis on the temporal sequence of events or ritual roles metamorphosing the Casswary nature into the New Man culture and the on other side the associated harmonic levels which allude to body painting choreography and social status his approach substantiates the view that the ritual is not so much about the establishing of linear causality in the relationship between a society and its environment but with the act of poetic legislation over the course of nature

little is known in the west about the division of the Islamic world into Shiites and Sunnites and even less about the stratification of these two groups with most of the

attention going to the sunnites moosa s comprehensive study of the origins and cultural aspects of the different extremist or ghulat shiite sects in the middle east is a ground breaking work these sects whose extremism is essentially religious are generally a peaceful people and except for the nusayris of syria are not political activists

r murray schaffer a creative life is the authoritative exploration of the life and work of this preeminent canadian composer artist educator and activist working closely with the composer and his family l brett scott has created the most up to date and accurate exploration of schaffer scott draws on many public and private sources including the composer s own journals and correspondence which have not been previously available to researchers scott discusses schaffer s extensive writings including his research writings on ezra pound and e t a hoffmann and his multiple works of fiction the volume also includes a detailed summary of schaffer s work in the field of acoustic ecology and recognition of his role as founder of the world soundscape project as well as an overview of his writings on creative music education with complete discussions of his theater works choral compositions compositions for voice chamber pieces orchestral compositions and early and transitional works and a chronological list of compositions and select discography this volume presents the most comprehensive study of schaffer and his enduring legacy
