give your life away and discover god s unique purpose for you as a first grader living deep in the liberian jungle palmer chinchén watched a young african girl quietly pull the shoes off her feet her only shoes her only protection from the parasites that crawl between the toes of so many tribal children to slip them on his sister s feet whose shoes were left behind in their burning bamboo mat house in the bush that image of tribal love and empathy has stayed with palmer and continues to drive his passions today palmer sees a new kind of tribe forming with the same kind of desires a tribe of people who are bothered by the brokenness all around who are passionate about goodness justice and beauty they are leaving their places of comfort to feed the hungry give clean water to the thirsty build houses for the homeless share clothes with the shivering and shoes with the barefoot this tribe is ready to change the world for good and we too must heed that call today conversational fresh and accessible barefoot tribe dares us to break past the safe confines of our manicured suburbs and polished shopping malls to take action take risks and remake the world into one more like what jesus had in mind your time to act is now god wants your life will you speak up step out and do something incredible today

give your life away to change this world and god will change you for the best a rising voice in the missional movement palmer chinchén challenges christians to a new kind of spiritual formation one focused on pouring out our life for others and radical dependence upon god when we get out of our comfort zone our souls are awakened everything seems more alive and vibrant so why don t we live our faith that way why is it that our faith can easily become an old tired routine instead of an exhilarating god honoring lifestyle discover why true religion involves engaging the problems in our world as we go with the good news of the gospel
