italian cinema is now regarded as one of the great cinemas of the world historically however its fortunes have varied following a brief moment of glory in the early silent era italian cinema appeared to descend almost into irrelevance in the early 1920s a strong revival of the industry which gathered pace during the 1930s was abruptly truncated by the advent of world war ii the end of the war however initiated a renewal as films such as roma città aperta rome open city sciuscià shoeshine 1946 and ladri di biciclette bicycle thieves 1948 flagbearers of what soon came to be known as neorealism attracted unprecedeted international acclaim and a reputation that only continued to grow in the following years as italian films were feted worldwide ironically they were celebrated nowhere more than in the united states where italian films consistently garnered the lion's share of the oscars with lina wermüller becoming the first woman to ever be nominated for the best director award this second edition of historical dictionary of italian cinema contains a chronology an introduction and an extensive bibliography the dictionary section has over 400 cross referenced entries on major movements directors actors actresses film genres producers industry organizations and key films this book is an excellent resource for students researchers and anyone wanting to know more about italian cinema

the italian cinema book is an essential guide to the most important historical aesthetic and cultural aspects of italian cinema from 1895 to the present day with contributions from 39 leading international scholars the book is structured around six chronologically organised sections the silent era 1895 22 the birth of the talkies and the fascist era 1922 45 postwar cinematic culture 1945 59 the golden age of italian cinema 1960 80 an age of crisis transition and consolidation 1981 to the present new directions in critical approaches to italian cinema acutely aware of the contemporary rethinking of italian cinema history peter bondanella has brought together a diverse range of essays which represent the cutting edge of italian film theory and criticism this provocative collection will provide the film student scholar or enthusiast with a comprehensive understanding of the major developments in what might be called twentieth century italy's greatest and most original art form

this work examines the ways in which the culture and society of the middle ages impacted on the works of the sienese poet cecco angolieri c 1260 1312 it analyzes how angolieri's poetry conformed to medieval notions and practices of comicality the study explores the means by which cecco satirized important cultural movements of the late 13th and early 14th centuries such as love literature and the ascendant franciscan order in addition it looks at his relations with other writers

of the day including three insulting sonnets addressed to dante alighieri the text shows that angolieri was not an isolated bizarre figure as some early 20th century scholars have described him but rather an author in step with his times

annotation analyzes the films of major italian postwar directors from amelio to visconti inspired by literary masters including balzac and tolstoy

irene corsini known as califfa has experienced poverty from the day she was born but has faced the hardships with the ready humor shrewd common sense and innate resilience characteristic of her people she has had to face tragedy with the death of her only son attilio and is trapped in her marriage to the despondent and wretched guido when guido is killed during a strike califfa is left alone more than ever annibale doberdo has risen from modest beginnings to become the richest and most powerful man in the city of emilia but there has been a price to pay forty years of acquiescent cooperation with his wife clementina who comes from a higher social background in stifling his own personal principles and the ideals of his youth the victim of a marriage that has long since become an empty farce surrounded by yes men and parasites and with no real friends doberdo s future looks as bleak as califfa s book jacket title summary field provided by blackwell north america inc all rights reserved

the 100 poems presented in this volume represent a broad cross section of isabella andreini s lyric poetry both in its original language and in verse translations of the nearly 500 poems published in andreini s two books of rime in the first decade of the seventeenth century the 100 included here optimally demonstrate andreini s range of style the diversity of genres in which she composed her views on renaissance court society and her interactions with other poets and patrons of the late sixteenth century an extensive historical and analytical introduction aims to deepen the reader s understanding of andreini and hopefully to inspire further study of this poet s little known writings including her *fragmenti d alcune scritture* and the remaining large share of her lyric poetry students and researchers specializing in comparative literatures women s studies and italian studies will find this a helpful addition to their discipline

essays on poets and dramatists of the seicento the seventeenth century period of italian literature and art examines the challenge that the baroque movement posed to the neo aristotelian aesthetics of the renaissance and to the notions of decorum and morality in art

bavaria was a very important country during the early middle ages its territory included much of the modern german state but also reached across the alps into what are now austria and northern italy bavaria thus occupied a strategic position between the rival kingdoms of the franks and the langobards it was ruled by powerful dukes who had close political and personal relations with the frankish rulers but who also vigorously resisted attempts to limit their own sovereignty bavaria s independence was ended in 788 by charlemagne who deposed his cousin duke tassilo charlemagne s son the emperor louis the pious then established bavaria as the first monarchy east of the river rhine for his own son ludwig the german this is the first full study of the entire evolution of bavarian rule from the mid sixth century into the early ninth century it explores the changing strategies adopted by its dukes and then its first king to establish their authority and maintain their autonomy in

face of evolving challenges to their rule an epilogue continues the story into the early tenth century carl i hammer graduated from amherst college b a and the university of toronto ph d and also studied at the universities of munich chicago and oxford after a career in international business with westinghouse and daimler benz he is now retired he has published two other scholarly books on early medieval bavaria and numerous articles in academic journals in n america and europe he lives in pittsburgh
