using the best of current biblical scholarship Dr Robert Winterhalter invites his readers to reexamine the parables of Jesus in the light of our inner search and the many surprising insights found in the remarkable collection of early Christian Gnostic manuscripts discovered at Nag Hammadi. This important work brings refreshing insights of the early years of the Christian faith by taking into account their historical, literary, and symbolic dimensions. In Jesus Parables: Finding Our God Within the Affirmations and Inspirations, each parable adds fresh insights because our understanding of God deepens as we move beyond old boundaries of thought. The parables become a window into the mind of Christ, and as we grow more open-minded, we feel the warmth of a healthy-minded spirituality and the release of a greater harmony in our everyday life. Written with pastoral warmth and framed in solid scholarship, *Jesus Parables: Finding Our God Within* will provide a deep satisfaction for everyone who is searching for a new level of experience and living faith that will match our uncertain times.
