medievalism the later reception of the middle ages has been used by many writers not just during the victorian period but from the renaissance to the present as a means of commenting on their own societies and systems of values until recently this self interest was used to distinguish between medievalism a selective often romanticised view of the past and medieval studies with its quest for an authentic middle ages the essays in this collection suggest that the search for knowledge of a real middle ages has always been a problematic one and that the vitality of the vision of medievalism is demonstrated by its constant adaption to current concerns

this book provides the first comprehensive historically based philosophical interpretations of two texts of thomas percival s professional ethics in medicine set in the context of his intellectual biography preceded by his privately published and circulated medical jurisprudence of 1794 thomas percival 1740 1804 published medical ethics in 1803 the first book thus titled in the global histories of medicine and medical ethics from his days as a student at the warrington academy and the medical schools of the universities of edinburgh and leyden percival steeped himself in the scientific method of francis bacon 1561 1626 mccullough shows how percival became a baconian moral scientist committed to baconian deism and dissent percival also drew on and significantly expanded the work of his predecessor in professional ethics in medicine john gregory 1724 1773 the result is that percival should be credited with co inventing professionalism in medicine with gregory to aid and encourage future scholarship this book brings together the first time three essential percival texts medical jurisprudence medical ethics and extracts from the medical ethics of dr percival of 1823 the bridge from medical ethics to the 1847 code of medical ethics on the american medical association to support comparative reading this book provides concordances of medical jurisprudence to medical ethics and of medical ethics to extracts finally this book includes the first chronology of percival s life and works
