when i sat down and started writing my first book opening doors i honestly didnt have a clue about what i was doing but what i did know was how important it was to get my message out to as many people as possible and inspire them to be the best versions of themselves they could possibly be no matter what situation you find yourself in or the background in which you came from there is always a light at the end of the tunnel you just have to keep searching and never give up in all of the adversity i have found myself in over the years there

were numerous times i felt like giving up and throwing the towel in but always in the back of my mind was what i had to offer and how others can benefit from my experiences as well as learn from what i had put in place to help me overcome the many trials and tribulations i found myself in i didnt know how to put a book together but i had my memories i just had to work out how to put them down on paper so others would not just want to read my book but also want to talk about how it had changed their life that was the reason for writing the book in the beginning i soon realized after writing the first few pages that it could help others if i could influence one person to change their life after reading my book i had done a whole lot more than become an author isn't it right whatever we get out of this life we should put back to help others

one day when i was lazily sitting in my balcony i saw a bird s nest in one corner of the balcony i removed it and cleaned the balcony properly with the hope that the little bird would not dare to build its nest again to my surprise after few days again i noticed the little bird busy in collecting small pieces of straw hay dry leaves etc for making her nest at the same place

money fame travel relationships or the freedom to do whatever whenever and with whomever you want however you characterize success it's something that nearly everyone is after while our definitions of success might differ the desire to succeed at one thing or another remains constant still even though we might all want to succeed at something we don't always do what it takes to follow through sometimes we just get fed up and we end up throwing in that proverbial towel we give up when the going gets tough but not everyone does so what separates them from the rest of the world's population how is that one person is willing to do all that it takes to reach their goals while another person gives in to silent resignation at the first sign of resistance why is one person willing to sacrifice nearly everything in order to live the life of their dreams while others are too afraid to take the next step in fear of suffering through a catastrophic failure or embarrassment it's quite clear that success has nothing to do with our initial set of circumstances some of the most poor and disadvantaged people in the world have achieved the greatest successes of all time oprah winfrey was born to a single mother on welfare and was physically and sexually abused as a child j k rowling was divorced had a daughter and was living on government assistance before publishing the first book in the harry potter series success in life has nothing to do with where you start sure people who start advantageously in one area or another might have a leg up but it has almost nothing to do with where they end up in life success transcends circumstances so what is it then what's the magic formula what's the secret to success in life if you will how can we go from a living a mediocre life to one of excellence in every manner possible can anyone do it or is it just some pipe dream that lives in the hearts and minds of the foolish populous

everyone wants to be more successful in their life but unfortunately very few know how to take the steps needed to achieve that success good news is if you follow everything that you're about to learn in this book you will experience success in all areas of your life no matter what your specific goals are you'll learn about how to define success which most people can't and often they have more trouble achieving their goals because they don't exactly know what success is for them techniques to forming good habits to help you achieve a higher level of success faster techniques and tips to gain that self belief and self confidence in yourself that you can achieve the success you deserve how to get past the first 30 days of your journey to success especially during the first 5 days when the going is the toughest expert advice to help you overcome just about any obstacle that stands in your way and much much more

each one of us dream to be successful in life and seek success in every endeavor of ours then why is it that success remains elusive to many of us we continue our quest for that magic formula or mantra that would help us be successful and at times give up thinking that success is impossible but in our quest little do we realize that the magic to be successful lies nowhere outside but within us only and the mantra is nothing but the act of bettering our self the act of getting better requires a clarity about what needs to be worked upon and how this simple book is an attempt to make the readers realise that success is very much possible and within our reach the book enable readers to gain clarity on what missing element in their lives is hindering their progress and not letting them be successful further the book details out 26 simple elements steps that if applied sincerely will put us on road to success the book acts as a companion book by not only providing insight into the 26 identified elements through interesting and at times real stories but also with opportunities in the form of self reflection activities that help application of these elements in our life the readers would enjoy reading about the elements that would make success possible for them
