the book is easy to read can be dipped into as required and will make a useful addition to the infant school teacher's resource library education and health it has very clear activities and progressions with activities to encourage children to share ideas in solving real life situations it is very user friendly snip circle time for the very young provides teachers with something very accessible for use with younger children all the information you need to get going is there and the level of detail should be just right for both school and other early years settings educational psychology in practice

recently made captain a young ship's officer comes quickly to maturity when faced with a crisis that tests his ability to lead his crew based in part upon author Joseph Conrad's experience in the British merchant marine the shadow line is considered to be one of his masterpieces revealing Conrad's skill at conveying complex themes and characters within a deceptively simple story HarperPerennial Classics brings great works of literature to life in digital format upholding the highest standards in ebook production and celebrating reading in all its forms look for more titles in the HarperPerennial Classics collection to build your digital library

illustrated by Bob Graham

the public outcry for a return to moral education in our schools has raised more dust than it's dispelled building upon his provocative ideas in On Becoming Responsible Michael Pritchard clears the air with a sensible plan for promoting our children's moral education through the teaching of reasonableness Pritchard contends that children have a definite but frequently untapped capacity for reasonableness and that schools in a democratic society must make the nurturing of that capacity one of their primary aims as fundamental to learning as the development of reading writing and math skills reasonableness itself he shows can be best cultivated through the practice of philosophical inquiry within a classroom community in such an environment children learn to work together to listen to one another to build on one another's ideas to probe assumptions and different perspectives and ultimately to think for themselves advocating approaches to moral education that avoid mindless indoctrination and timid relativism Pritchard neither preaches nor hides behind abstractions he makes liberal use of actual classroom dialogues to illustrate children's remarkable capacity to engage in reasonable conversation about moral concepts involving fairness cheating loyalty truth-telling lying making and keeping promises obedience character and responsibility he also links such discussions to fundamental concerns over law and moral authority the roles of

teachers and parents and the relationship between church and state pritchard draws broadly and deeply from the fields of philosophy and psychology as well as from his own extensive personal experience working with children and teachers the result is a rich and insightful work that provides real hope for the future of our children and their moral education
