guyanese achievers usa and canada is the result of collaboration between vidur dindayal and the guyanese diaspora

who shared with him its recommendations on whom to identify as examples of achievement this volume chronicles guyanese people who reflect their nation's rich multi ethnic heritage these people demonstrate that guyanese have been successful in north america for a long time for example sir james douglas became the governor of the colony of vancouver island and later the colony of british columbia in the 1850s today he is considered the father of british columbia for guyanese he is guyana's first gift to canada a statue of sir james douglas was unveiled in 2008 at his birthplace in belmont mahaica at the end of the first decade of the twenty first century the list of guyanese who have been gifts to the united states and canada is impressive guyanese achievers usa and canada celebrates the academics actors doctors educators entrepreneurs and others who by demonstrating inventiveness and persistence have been recognized as exemplars of guyanese achievement in north america

guyanese street vernacular of well known words and phrases is a common daily tradition of communication in guyana south america this staple methodology never lost its roots it is a sustainable language effected over the years by creativity and change

compilation of writings comprising a general study of guyana with particular reference to cooperative development covers economic relations economic planning political aspects demographic aspects the social structure cultural factors housing rural development historical and geographical aspects the role of uk natural resources accession to independence etc maps references and statistical tables

this comprehensive collection is the first full book length volume to bring together writing focused around and inspired by the work of john rickford and his role in sociolinguistic research over the last four decades featuring contributions from more than 40 leading scholars in the field the volume integrates both historical and current perspectives on key

topics in rickford s body of work at the intersection of language and society highlighting the influence of his work from diverse fields such as sociolinguistics stylistics creole studies and language and education the volume is organized around four sections each representing one of the fundamental strands in rickford s scholarship over the course of his career bookended by short vignettes that feature stories from the field to more broadly contextualize his intellectual legacy language contact from a sociolinguistic and sociohistorical point of view the political ramifications of linguistic heterogeneity the stylistic implications of language variation and change the educational implications of linguistic heterogeneity and social injustice taken together the routledge companion to the work of john r rickford serves as a platform to showcase rickford s pioneering contributions to the field and in turn to socially reflective linguistic research more generally making this key reading for students and researchers in sociolinguistics creole studies language and style and language and education

a subject list of new books printed in the republic of guyana based on the books deposited at the national library and provided with a full author title and subject index and a list of guyanese publishers

why do isolated creole languages tend to have similar grammatical structures bastard tongues is an exciting firsthand story of scientific discovery in an area of research close to the heart of what it means to be human what language is how it works and how it passes from generation to generation even where historical accidents have made normal transmission almost impossible the story focuses on languages so low in the pecking order that many people don t regard them as languages at all creole languages spoken by descendants of slaves and indentured laborers in plantation colonies all over the world the story is told by derek bickerton who has spent more than thirty years researching these languages on four continents and developing a controversial theory that explains why they are so

similar to one another a published novelist bickerton once described as part scholar part swashbuckling man of action does not present his findings in the usual dry academic manner instead you become a companion on his journey of discovery you learn things as he learned them share his disappointments and triumphs explore the exotic locales where he worked and meet the colorful characters he encountered along the way the result is a unique blend of memoir travelogue history and linguistics primer appealing to anyone who has ever wondered how languages grow or what it s like to search the world for new knowledge

this book is about oil and gas dynamics in the world s newest petro powers in the making and the attempts to balance this against the impact of climate change the known oil reserves in the guyana suriname basin total some 30 billion barrels equivalent and the gas reserves exceed 30 trillion cubic feet this massive offshore discovery amounts to 10 percent of the world s conventional oil but guyana and suriname are also in a wet neighborhood where the impact of climate change stands to wreak havoc on the area and undermine some of the oil gains examining the political economy of petroleum production and some of the myriad challenges and opportunities involved the expert contributors discuss the global and regional geopolitical and national security ramifications of the petroleum pursuits and explore global climate change dynamics and their effects on the region this title will be of interest to students scholars of international political economy environmental politics and the caribbean it will also be invaluable to policymakers in countries with business investments in guyana and suriname especially in the energy sector and policy and operational staffs in regional and international organizations and companies
