intended for actors directors teachers and researchers this book offers an exceptionally clear and thorough introduction to the renowned acting technique developed by michael chekhov sinéad rushe s book provides a complete overview of the whole method and includes illuminating explanations of its principles as well as a wide range of practical exercises that illustrate step by step how they can be applied to dramatic texts part one provides an outline of the ideas that underpin the work which help to prepare practitioners to become responsive and receptive and to awaken their imagination part two charts a journey through the foundational psychophysical exercises that can both orient an actor s training routine and be applied directly to the development of a role part three focuses on more specific and elaborate methods of scene work characterisation and the art of transformation drawing on the full range of chekhov s writing in english and french this book also examines unpublished material from the dartington hall archives and features interviews with actors who have worked with the technique including simon callow and joanna merlin it illustrates chekhov s approach by referring to rushe s own productions of nikolai gogol s short story diary of a madman and shakespeare s othello as well as characters and scenes in sarah kane s blasted and the contemporary american television

series breaking bad michael chekhov s acting technique is an accessible comprehensive and contemporary point of reference for those already trained in the method as well as an initiation and toolkit for practitioners who are just beginning to discover it

offering a wealth of exercises and techniques honed by the author s 35 years of teaching this text shows how actors can free both the voice and the body and explore the subconscious for effective emotional recall

jack garfein s book is a touching reminder of our early attempts at creating theater without artifice it is good to know that he is still working hard at it ben gazzara

how would you like the ability to literally be any person you want to be any character at all how about the ability to elicit laughter and good feelings at will from any target just look at conan o brein and other professional comedians and compare their ability to generate high levels of buying temperature as opposed to the best puas including mystery videos of this exists in youtube and their just not in the same league how about puas acting like the prize their pimp alpha whatever as opposed to real life dweebs who play these convincing characters on the big screen again the comparison is unfair and these professionally trained actors and comedians are just light years beyond any pua the purpose of this book then is to introduce to you what should be standard training in the pickup arts that sadly only a very tiny percentage of the community are trained in and see the game this way one way to professionalize and improve your game and performance is to actually embrace and treat the pickup arts as partly a performance art medium

an enthusiastic and motivational guide for all budding young actors whether dreaming of winning an oscar or performing in the school play readers are taken step by step through the basics of acting techniques building a set acting for the screen camera work and jobs in the industry
