telling stories a grand unifying theory of acting techniques is an essential resource for professional actors acting students and teachers or anyone who wants to better understand the evolution of modern acting theory this guidebook provides a history of acting theories and training and describes techniques that enable an actor to inhabit a character in the book are numerous acting exercises that illustrate each method as well as advice on performing shakespeare and on developing scripts telling stories is an important addition to any theatrical library and can serve as the basis for acting and theater courses across a wide range of levels book jacket

freeing the actor is the seventh in a series of books by eric morris which explain and describe his unique system of acting his previous books are among the most popular texts used by students and professional actors alike in this book which is totally aimed at the instrument eric has implemented a complete approach to eliminating the obstacles dependencies traps and habits that plague and block actors from functioning from an authentic organic place

historically most acting coaches and teachers have failed to adequately address the instrumental problems that cripple actors by teaching them how not to act eric has influenced scores of people to become experiential actors his teaching has led them to understand that they must experience in reality what the character is experiencing in the material in order to accomplish that they must be instrumentally free to connect with and express their authentic emotional realities liberating the instrument allows them to access all the colors of their emotional rainbow

offering a wealth of exercises and techniques honed by the author s 35 years of teaching this text shows how actors can free both the voice and the body and explore the subconscious for effective emotional recall
