what can you do when money is in short supply keep casting your bread upon the waters
eventually it will return to you on every wave discover how to put this scripture system of
prosperity to work for you and reverse the ebbing tide of your life through giving and

words have played a vital role since the beginning of time in the book of genesis god created
the world and everything in it with his words today as believers we have the same god like
ability to speak those things which be not as though they were through god s word kenneth
copeland reveals the bible secret of words and the vital

when you hear god talking big things to you through his word and directly to your heart and
then youtalk the same thing thinking big dreaming big and acting big faith will rise up you will
turn your faith loose to lay hold of the glorious things in the supernatural realm and bring them
right into the natural realm when

do you wonder if you can hear from god for yourself could he be saying something to you

today what is he telling you about your personal life your family your finances is something causing interference and drowning out his voice god promised to lead his children by his spirit and enable them to know his voice kenneth copeland

how can you make your plans succeed kenneth copeland shows you how by aligning your thinking and your actions with the word you will be able to deal wisely in all the affairs of life you ll succeed and no matter what s going on in the world s system you can prosper because you re operating according to the wisdom of god

oh lord how long if you ve ever asked that question this book is for you it will help you learn how to wait without wavering to persevere in faith even when you re under pressure until your victory comes discover the conquering combination that can put you over the top every time discover faith and patience the power

the author host of the daily christian radio show stand up for the truth shares his observations on the influence of secular humanism on the current and future states of american christianity while detailing his perceptions of secular humanism within current american culture

god has a work for you to do on earth he has a special part for you to play he has a significant place that only you can fill but before you can move into that place you have to learn how to walk confidently with the lord every day in this insightful book gloria copeland shares the first essential step in establishing your daily journey with god learning how to have a willing and obedient heart take a walk through the word and learn specifically how to walk in newness of life and throw aside the ways of the world bear real fruit by living in daily communion with the lord be led by the prompting of the holy spirit pray the perfect will of god make the supernatural natural in your life discover the path to a life of obedience today and learn what it really means to walk with god

divine healing is an essential marker of the global phenomenon of pentecostal and charismatic christianity but although we know that healing is central in these movements we know surprisingly little about how divine healing beliefs and practices reflect the interplay of local and global patterns of cultural development the essays in this collection seek to discover what is the same and what is different about such beliefs and practices in diverse contexts trace formal and informal lines of cultural influence across geographic and national boundaries and ask how healing both reflects and contributes to larger processes of globalization the collection not only fleshes out a picture of how and why spiritual healing is practiced in diverse cultural contexts and how healing practices reflect and shape the transnational spread of christianity it also provide insight into the nature of globalization the authors attend

to a wide range of issues including the theological rationales for divine healing the symbolic objects and ritual enactments employed the cultural controversies surrounding these practices the relationship between christian healing and local or indigenous healing traditions whether an emphasis on financial prosperity is always present and the extent to which pentecostal and charismatic churches are networked and the role of healing in such networks with nearly all new essays this informative volume edited by candy gunther brown contains a forward by harvey cox and contributions from an international team of sixteen professors academics and scholars

by returning to what we once had we can recover what we once enjoyed in the early centuries christianity was an explosive viral movement that spread by word of mouth persecution could not stop it in fact it often helped to spread it but today the gospel is no longer spreading like wildfire throughout the western world slowly christianity has morphed into something much different a stable institutionalized religion that no longer grips us with the excitement and spirituality of the early years ross rohde believes that this excitement and passion can be recaptured in viral jesus he uses examples from the bible and today to explore how we can return to our roots and once again enjoy the excitement simple spirituality and explosive growth of early christianity

the grace of god is often referred to as unmerited favor in fact the very meaning of grace is favor in this extraordinary book written at a time when people need god s favor more than ever jerry savelle shows how the favor of god is not only available to the believer but also promised drawing from his own experience and his deep knowledge of the scriptures dr savelle explains how to actively walk and grow in divine favor and by doing so enjoy the practical as well as the supernatural benefits for such a time as this when many are living in fear and uncertainty the favor of god will not just inspire readers by god s grace and favor it will empower them

be faithful in your giving and god will reward you financially it s not always stated that blatantly but the promises of the prosperity gospel or the name it and claim it gospel the health and wealth gospel the word of faith movement or positive confession theology are false yet its message permeates the preaching of well known christian leaders joyce meyer t d jakes joel osteen creflo dollar kenneth and gloria copeland and many more the appeal of this teaching crosses racial gender denominational and international boundaries why are otherwise faithful christians so easily led astray because the prosperity gospel contains a grain of biblical truth greatly distorted for anyone who knows that prosperity gospel theology is wrong but has trouble articulating and refuting the finer points this concise edition contains all the robust arguments of the hard hitting original edition in a shorter more accessible form

winner 2025 airey neave memorial book prize airey neave trust shocking acts of terrorism have erupted from violent american far right extremists in recent years including the 2015 mass murder at a historic black church in charleston and the january 6 2021 attack on the u s capitol these incidents however are neither novel nor unprecedented they are the latest flashpoints in a process that has been unfolding for decades in which vast conspiracy theories and radical ideologies such as white supremacy racism antisemitism xenophobia and hostility to government converge into a deadly threat to democracy god guns and sedition offers the definitive account of the rise of far right terrorism in the united states and how to counter it leading experts bruce hoffman and jacob ware trace the historical trajectory and assess the present day dangers of this violent extremist movement along with the harm it poses to u s national security they combine authoritative nuanced analysis with gripping storytelling and portraits of the leaders behind this violence and their followers hoffman and ware highlight key terrorist tactics such as the use of cutting edge communications technology the embrace of leaderless resistance or lone wolf strategies infiltration and recruitment in the military and law enforcement and the movement s intricate relationship with mainstream politics an unparalleled examination of one of today s great perils god guns and sedition ends with an array of essential practical recommendations to halt the growth of violent far right extremism and address this global terrorist threat

this extensive work explores the changing world of religions faiths and practices it discusses a broad range of issues and phenomena that are related to religion including nature ethics secularization gender and identity broadening the context it studies the interrelation between religion and other fields including education business economics and law the book presents a vast array of examples to illustrate the changes that have taken place and have led to a new world map of religions beginning with an introduction of the concept of the changing world religion map the book first focuses on nature ethics and the environment it examines humankind s eternal search for the sacred and discusses the emergence of green religion as a theme that cuts across many faiths next the book turns to the theme of the pilgrimage illustrated by many examples from all parts of the world in its discussion of the interrelation between religion and education it looks at the role of missionary movements it explains the relationship between religion business economics and law by means of a discussion of legal and moral frameworks and the financial and business issues of religious organizations the next part of the book explores the many new faces that are part of the religious landscape and culture of the global north europe russia australia and new zealand the u s and canada and the global south latin america africa and asia it does so by looking at specific population movements diasporas and the impact of globalization the volume next turns to secularization as both a phenomenon occurring in the global religious north and as an emerging and

distinguishing feature in the metropolitan cosmopolitan and gateway cities and regions in the global south the final part of the book explores the changing world of religion in regards to gender and identity issues the political religious nexus and the new worlds associated with the virtual technologies and visual media

speaking right words god s word consistently brings the power of god onto the scene of your life to save heal and deliver kenneth and gloria copeland heard and received that revelation from god early in their christian walk and god is speaking the same thing to you today if you want to change your life change your words

the first 30 years a journey of faith is an intimate look at the loves of kenneth and gloria copeland filled with stories from their children humorous anecdotes from friends and heartwarming recollections from 30 years of ministry

history is filled with stories of adventure this account however also includes the unmistakable presence of the hand of god

red letter complete concordance center column references 16 full color bible study maps protective gold silver edges more than 160 pages of kenneth copeland s personal notes
