the theme of this book is that in the incarnation in the spirit in the sacraments and in the judgment there is a single coming and that of man in his entirety to heaven the creeds affirm that our lord jesus christ came down from heaven to earth where he was born and died that he ascended thence to heaven after his resurrection and that from heaven he shall come again in glory to judge the living and the dead but the vision in the book of daniel from which christ took his title son of man shows us a single coming only the coming of the one like to a son of man to the ancient of days in heaven and later in the same chapter the man is explained as the people of the saints of the most high thus as there is only one coming so also is there one man who comes and our lord s appropriation of the title shows that we must regard his whole redeeming work as part of a single movement c s lewis said of the original edition of the coming of the lord which in a revised form makes up the first half of this book i am simply delighted with it delighted excited and most grateful i think it is the best book the author has yet done and the best theological book by anyone i have read for a long time

what time is it if you re not excited about the immediate future you ve been listening to the wrong people the question i ask is a spiritual one what time is it according to god s clock it may be one minute before the trump sounds do you know what that means jesus is coming soon the greatest days on earth are ahead for all of us every human on earth it s going to be a panorama production of gigantic supernatural wonders encompassing the time that now is until the millennium and glimpses beyond this production is the coming of the lord such a kaleidoscope production fulfilling all god s grace with the rapture of the church and then his wrath carried over millennia after millennia to the great awesome day of the lord jesus christ only god could plan produce and unfold it will most assuredly amaze and astound you whether a spectator on the fringes looking with fear trembling and wonder or a participant in this full fledged all encompassing production of here to eternity

this volume 2 picks up where volume 1 left off with the aftermath of the rapture of the church now what s ahead how close are we in time what time is it the question i ask is a spiritual one what time is it according to god s clock it may be one minute before the trump sounds do you know what that means jesus is coming soon the greatest days on earth are ahead for all of us every human on earth it s going to be a panorama production of gigantic supernatural wonders encompassing the time that now is until the millennium and glimpses beyond this production is the coming of the lord such a kaleidoscope production fulfilling all god s grace with the rapture of the church and then his wrath carried over millennia after millennia to the great awesome day of the lord jesus christ only god could plan produce and unfold it will most assuredly amaze and astound you whether a spectator on the fringes looking with fear trembling and wonder or a participant in this full fledged all
