the anthology rudy wiebe essays on his works compiled and edited by bianca lakoseljac examines wiebe s works and his achievements as an author editor professor and mentor who helped shape successful authors and encouraged a passion for canadian literature intriguingly while wiebe s writing has been labeled as brilliant and magnificent it has also been seen as challenging due in part to his propensity for a

rather faulknerian turn of phrase and his use of multifaceted storymaking approaches such as intertextual and intratextual dynamics and the sociopolitical views and religious beliefs they embody rudy wiebe s literary work raises him to the status of a canadian literary icon whose fiction and nonfiction are seen as major contributions to canadian literature and will continue to be enjoyed for generations to come
